

Super Turkey
Jan Essinger, Garland

Verse 1:

I'll tell you a story 'bout a little bird. Strangest story you've ever heard. Super Turkey is his name, and gettin' away is how he earned his fame!

Chorus:

Suuuper Turkey! He always gets a way-ay-ay-ay!
Suuuper Turkey! You won't eat him this Thanksgiving Day!

Verse 2:

Mama Turkey was so glad about this little chick she'd had.
She made sure she did no wrong so he grew up to be big and strong.

Verse 3:

Papa Turkey was so proud. He strutted around and he gobbled out loud, "My son is so quick and wise, He'll never be eaten with pumpkin pies."

Verse 4:

Sure enough, that little chick grew up to be smart and quick.
He out-smarted and out-ran every animal and every man!

Verse 5:

When Thanksgiving comes around, Farmer Jones can be found
Sneakin' around with his turkey net, he's gonna get that turkey yet!

Verse 6:

Farmer Jones is gettin' mad. He wants to catch that bird so bad. He gets tired of eatin' fish instead of his favorite turkey dish!
