

# Course Expectations Planning Guide

Math

## 319A Algebra IIA

---

Please Note: All listed information is intended to provide a general guideline for students in planning their course load. All information provided will vary according to the individual study needs and academic motivation. Events and responsibilities may vary year-to-year.

### Weekly Time Commitment

*Calculated by surveying students to identify an approximate amount of time spent outside of the school day in order to be successful in this course*

2-3 hours

### Standard Responsibilities

*Successful students may have the following responsibilities in order to be successful in this course:*

**Students should expect to do 1-2 hours a week outside of class work. This amount may be increased around assessment days or if significant absences are incurred by the student.**

### Significant Events

*Students may expect some significant events that may be a part of this class.*

Homework and assessments are typical, with occasional work in the lab on review, test preparation (both in class assessments and standardized test prep)
