

Dear Parcels Parents:

The Grosse Pointe Woods Public Safety Department has received numerous complaints about the congestion, illegal turns and dangerous driving behaviors being committed by Parcels parents. Please study this diagram which illustrates the proper traffic flow patterns for picking up or dropping off your student from the Sunningdale lot. As a parent or guardian of a Parcels student, you can help facilitate a safe and orderly traffic flow by doing the following:

1. **ENCOURAGE YOUR CHILD TO WALK OR BIKE TO SCHOOL!!** This will greatly reduce the amount of congestion on the roadways around the school and in the parking lots.
2. Pick up and drop off your student on the side streets west side of Mack, rather than on school property—Adult Crossing Guards will insure that your child crosses Mack safely.
3. Obey all “No stopping, standing or parking” zones (*Fine for “prohibited parking”*: \$35.00 )
4. When picking up or dropping off students in the Sunningdale lot, pull all the way around the circle driveway to keep traffic moving. This helps relieve the back-ups on Sunningdale.
5. Don’t take “cuts” in front of drivers waiting in the Sunningdale lot’s “right turn only” lane.
6. Don’t make a right turn into the parking lot from the south bound traffic lane of Sunningdale—this lane is for *thru-traffic only*. (*Fines for “Improper lane usage or improper turn”*: \$110.00)
7. Don’t stop, stand or park in the right traffic lane of Vernier (west of the stacking lane) (*Fines for “Impeding Traffic”*: \$170.00)
