

Student Tips for Success

- ❖ Use your assignment book well – Do not rely on your memory for everything!
 - Bring your assignment book to class every day
 - Fill in the assignments every day
 - Double check with the teacher if you're not sure about homework
 - Check the assignment before you leave school to be sure you have all the books and folders you need to do the homework
 - Check off assignments as you complete them
 - Write down long term assignments every day until the due date
 - Use a **highlighter** to mark important information (tests, projects, etc...)
 - Write down important school events in the assignment book

- ❖ In class strategies...
 - Ask questions/ communicate with teachers
 - Listen carefully
 - Make sure you are sitting in a place where you're not distracted
 - Connect with a study buddy when possible
 - Use your time wisely. If there is time to do homework – do it!
 - Ask yourself...what numbers do my effort, work habits and conduct reflect today?

- ❖ When tackling homework...
 - Find a quiet place without distractions to do your work
 - Designate a place to put your school things daily
 - Tackle the toughest/ least enjoyable work first
 - Set priorities, make a “to do” list, set up a timeline
 - Allow for some unexpected events to happen – communicate these to your teachers
 - Think through an assignment/ project before starting
 - Call a study buddy if you're stuck
 - See the teacher the next day before school if you had trouble with the work – don't wait until it is time to check it
 - Recognize when you are wasting time
 - Take occasional short breaks when studying
