

Unofficial Grosse Pointe Public School System Report

Three year change in elementary enrollment, class size, and staffing ratios

These columns show average class size in each grade at every building for the current and last two preceding schools years. They are not averaged out per year or in any other way because it is not statistically appropriate to take an average of an average.

These columns total all enrollment in elementary school (general and special ed by headcount, not full time equivalent.) Teachers are FTE and only traditional classroom teachers.
