

Course Expectations Planning Guide

Science

An Introduction to Organic Chemistry

Please Note: All listed information is intended to provide a general guideline for students in planning their course load. All information provided will vary according to the individual study needs and academic motivation. Events and responsibilities may vary year-to-year.

Time Commitment

0-1 hours

Standard Responsibilities

Assessments– approximately every two weeks

Labs – approximately once per unit

Homework – should be able to complete in class. Assigned as a packet for the unit to work on at your own pace, not nightly assignments.

Significant Events

Cookie and Flavor Chemistry

Polymer exploration
