

# Course Expectations Planning Guide

Science

## 422 Physics

---

Please Note: All listed information is intended to provide a general guideline for students in planning their course load. All information provided will vary according to the individual study needs and academic motivation. Events and responsibilities may vary year-to-year.

### Weekly Time Commitment

*Calculated by surveying students to identify an approximate amount of time spent outside of the school day in order to be successful in this course*

3-4 hours

### Standard Responsibilities

*Successful students may have the following responsibilities in order to be successful in this course:*

- One hour of homework, 2-3 nights per week.**
- Only field trip is Cedar Point, in the end of May, and is optional (you'll take a test that day, whether you go or not)**
- Heavily Algebra-Based.**

### Significant Events

*Students may expect some significant events that may be a part of this class.*

Cedar Point (3rd week of May, following AP TESTS)
