

ATHLETIC/CLUB ACTIVITY PARTICIPATION FEES

August, 2006

Dear Pierce Parents/Guardians,

Due to increased budget constraints, we continue to charge a **registration fee to offset the cost of after-school programs**. These fees allow us to maintain the scope of programs we provide, and allow students to continue to have a wide variety of opportunities for involvement in activities beyond the school day. All fees below are a one-time fee for the school year and are due at registration.

Clubs and Activity Fee

Any student who wishes to participate in one or more Pierce extra curricular clubs or activities is required to pay a **\$50.00 registration fee** which covers the entire school year. *This fee is paid at registration, which will be held the week of August 21st.* Clubs and activities are listed on the reverse of this sheet.

Athletic Participation Fee

Any student who wishes to participate in one or more of Pierce's athletic programs is required to pay a **\$90.00 registration fee** which covers the entire school year. *This fee is paid at registration, which will be held the week of August 21st.*

**Since 6th grade basketball is a short season and is a no-cut sport, the participation fee will be \$50.00.*

Please remember that students are required to have a current physical and gold emergency card on file prior to participating in any practice.

FAQ's Regarding the Activities Fees

What if I don't make the team/activity, do I get a refund?

Students who have been "cut" from teams/activities and have not participated in any other athletic or extra-curricular program may apply for a refund of the fee after May 15, 2007. **Students who quit or are dismissed from a team are not eligible to request a refund.**

Where does the money go?

The fees will be used to offset the reduction in operating expenses for the 2006-2007 budget.

You will notice lines for these new fees on the registration receipt form.

Please contact Pierce at 432-4700 if you have additional questions.

Sincerely,
