

What happens when a student or staff member tests positive for COVID-19?

DAY

ZERO

This is the day of positive test or start of COVID symptoms. Student or staff member should isolate at home beginning on day ZERO.

DAYS

ONE - FIVE

From days one through five, student or staff member must remain at home, even if symptoms have improved.

DAYS

SIX - TEN

If symptoms have improved and fever has not been present for at least 24 hours, student or staff member may return to school and wear a mask through day ten.

DAY

ELEVEN

Student or staff member may return to school without a mask, if they choose.

- * Those who live in a household with someone who tests positive for COVID-19 should wear a mask for 10 days after exposure and monitor for symptoms.
- * Information based on guidelines from the [CDC](#) and [MDHHS](#)
