

# ARE YOU AWARE?

# NOVEMBER 2022

## National Diabetes Month

Diabetes is a serious condition that impacts more than 30 million people across the country. National Diabetes Month, an annual event taking place each November, aims to boost awareness about risk factors, symptoms, and types of diabetes. For more information about Type 1 and 2 diabetes and National Diabetes Month, visit [www.diabetes.org](http://www.diabetes.org).

## DID YOU KNOW?

Transgender Day of Remembrance takes place on Nov. 20. This day is an annual observance that honors the memory of transgender people who lost their lives to anti-transgender violence.

Learn more about this day and issues facing the transgender community at [this link](#).

## Native American Heritage Month

Native American Heritage Month takes place each November and is an opportunity to recognize the rich ancestry and traditions of Native Americans.
