**From Chapter Two-Encouragement  
"Building the School Family"**

The Power of Unity is the main theme of the Encouragement Chapter. The power of unity reminds us that we are all in this journey of life together. One way that we reinforce this in the classroom is by singing the school family song. Practice this with your child.

You Are My School Family

(tune of You are My Sunshine)

You are my family,

My school family.

I feel happy,

When we are here.

I hope you know friends,

How much I like you!

(make eye contact and point to a friend)

When we're apart,

I'll keep you here!

(Cross hands over your heart)
