

2025 Summer Reading Program at the Grosse Pointe Public Library

As this school year comes to an end, our school library encourages families to continue to nurture a love of reading in their children by joining the Summer Reading Program at the Grosse Pointe Public Library. Your child will receive a summer reading packet during their last library class that will contain all the information your family will need to learn about and join the program.

In addition, the GPPSS elementary library team has put together a document of digital reading resources as well as other educational opportunities to experience throughout the summer. Please scan the QR code below to access this document and utilize its helpful links to many wonderful online tools. Some resources may require student library card information or GPPSS login credentials. To assist with this, we have provided each student with their unique login information data within the summer reading packet.

Best wishes for a wonderful summer with your family and **HAPPY READING!**

Mrs. Biske, Ms. Gostomski & Ms. Martin
