GRIEVANCE PROCEDURE

3.0 DEFINITION—A grievance is a complaint by an employee or a group of employees that there has been a violation of any expressed provision of this Agreement or established board policy affecting bargaining unit members.

3.1 PROCEDURE—Grievances shall be presented and adjusted according to the following procedure:

3.2 INFORMAL CONFERENCE—Prior to invoking the grievance procedure at Step 1 an employee who has a complaint shall informally discuss the matter with his/her building administrator. The request for a meeting to discuss the matter must be made within ten (10) school days following the act or condition which is the basis of the complaint. The building administrator shall make arrangements to hold a meeting within five (5) school days of the employee's request and shall make his/her decision known within five (5) school days after the meeting.

3.3 STEP ONE—In the event the matter is not resolved informally, a written grievance may be filed with the building administrator within five (5) school days after being advised of the decision at the informal stage of this procedure. Within five (5) school days after receiving the grievance, the building administrator shall state his decision in writing, and shall furnish a copy to the aggrieved party.

3.4 STEP TWO—Within five (5) school days after receiving the decision of the building administrator, the aggrieved party may appeal to the Deputy Superintendent of Human Resources or designee. The appeal shall be in writing and shall be accompanied by a copy of the decision at Step 1. Within ten (10) school days after receipt of the appeal, the Deputy Superintendent of Human Resources or designee will meet with the aggrieved party to consider the grievance. Any person having knowledge of this matter may be required to attend this meeting as a witness. A written decision on the matter shall be given to the aggrieved party and the Association within five (5) school days after the meeting.

3.5 STEP THREE—Within sixty (60) calendar days after receiving the decision of the Deputy Superintendent of Human Resources or designee, the Association may submit the grievance to arbitration upon written demand to the Board. If a demand for arbitration is not made upon the Board within said sixty (60) day period, the grievance shall be deemed settled on the basis of the last answer of the Board in Step Two.

3.6 The voluntary labor arbitration rules of the American Arbitration Association shall apply to the selection of the impartial arbitrator and to the arbitration proceedings. The Board and the Association agree to accept the arbitrator's award as final and binding upon all parties including the employee(s) involved in the grievance.

3.7 In connection with the arbitration of any grievance hereunder the following rules shall apply:

- 3.8 In no event shall an arbitrator be empowered to add to, subtract from, disregard, alter or modify any of the provisions of this Agreement. His power shall be limited to determining whether the Board has violated, misinterpreted or misapplied any of the terms of the Agreement or established personnel policy and he shall have no authority to substitute his judgment for that of the Board. Moreover, he shall not imply obligations and conditions binding upon the Board from this Agreement; it being expressly understood that any matter not specifically set forth in this Agreement remains within the reserved rights of the Board. The decision of the arbitrator shall be in writing and shall cover only the issues in dispute without recommendations as to other matters.
- 3.9 He shall have no power to decide any question which, under this Agreement, is within the responsibility of the Board to decide. In rendering decisions, an arbitrator shall give due regard to the responsibility of the Board and shall so construe the Agreement so there will be no interference with such responsibilities, except as they may be specifically conditioned by this Agreement.
- 3.10 Both the arbitrability and the merits of any grievance may be jointly considered by the arbitrator. The Arbitrator's decision shall be final and binding upon the District, the Association and the Building Administrator(s) involved.
- 3.11 Any grievances not advanced to the next Step by the Association within the time limit in that Step shall be deemed abandoned. Time limits may be extended by mutual agreement of the Board and the Association in writing; then the new date shall prevail.
- 3.12 The Board shall not be required to pay back wages of more than ten (10) working days prior to the date a grievance is filed by invoking the informal conference (Article 3.2).
- 3.13 All claims for back wages shall be limited to the amount of wages that the employee would otherwise have earned, less any unemployment or other compensation that he may have received from any source during the period of back pay. Such employee shall have the burden of showing that he was actively seeking employment during such time.
- 3.14 No decision in any one grievance shall require a retroactive wage adjustment in any other grievance, unless such grievance has been designed as a representative grievance by mutual written agreement by the parties.
- 3.15 No more than one grievance may be heard by the arbitrator at one time unless both parties agree to consolidate two or more grievances for hearing and decision, or unless the arbitrator directs the consolidation of two or more grievances submitted to arbitration arising out of the same incident and involving similar questions of dispute.
- 3.16 The fees and expenses of the arbitrator and the fees of the American Arbitration Association shall be paid by the losing party.

GENERAL PROCEDURES

- 3.17 All complaints and appeals must be in writing. They shall contain a specific but concise statement of the facts upon which the grievance is based, a specific reference to the Articles and sections of the Agreement which have allegedly been violated, the date of the alleged violation, the specific nature of the relief requested and, shall be signed and dated by the employee involved. Forms for filing grievances and taking appeals shall be formulated by the Board and the Association. However, the availability of said forms to employees shall be the responsibility of the Association.
- 3.18 Any employee may present a grievance for adjustment without intervention of the Association, if the adjustment is not inconsistent with the terms of this Agreement, provided that the Association has been given an opportunity to be present at such adjustment.
- 3.19 There shall be strict adherence to the time limits specified in this procedure except when a time limit, in any specific instance, is extended by mutual written agreement.
- 3.20 Failure of an administrator to report any decision within the specified time limit at any step of the grievance procedure shall automatically move the grievance to the next step in the grievance procedure. Failure of an employee to file a grievance or appeal within the specified time limit at any step of the grievance procedure shall constitute a clear and specific denial by the Board and administration of the merits of such grievance or appeal.

3.21 At the request of an employee an Association Representative may be present at all grievance meetings held under this procedure.

3.22 The following matters, among others specified elsewhere in this Agreement, shall not be subject to arbitration under this grievance procedure:

The termination or discipline of a probationary employee.

The provisions of any insurance contracts and/or policies provided pursuant to this Agreement.

Employee evaluations.

Any matter set forth in this Agreement which is covered by a state or federal statute and may be pursued through an administrative agency. It is the purpose of this provision to deny use of the arbitration procedure to employees who have one or more administrative remedies available to them outside of the scope of this Agreement.

ARTICLE IV

PROVISIONS AFFECTING EMPLOYMENT

EMPLOYEE RESPONSIBILITY

4.0 It is mutually agreed that the educational quality of the school district reflects the ideals, motives, preparation and conduct of its employees. In discharging his/her work responsibilities, each employee shall be responsible to the appropriate administrator and shall diligently, and to the best of his/her ability, perform all assignments and responsibilities and comply with the policies, rules and regulations, and practices of the Board and the provisions of this Agreement.

HIGHLY QUALIFIED REQUIREMENT

- 4.1 GPEPA and GPPSS agree that effective June 30, 2019, all members of GPEPA must meet the NCLB Highly Qualified requirements for paraprofessionals, regardless of their assigned duties as a paraprofessional. To be highly qualified, paraprofessionals must have a high school diploma or recognized equivalent. Additionally, paraprofessionals must have completed at least 2 years of college (60 credit hours), earned an associate's degree, or passed the ACT Work Keys assessment. Any member of the GPEPA that does not meet the Highly Qualified requirement by June 30, 2017, will be terminated by the district. The district will reimburse current members of GPEPA (that is, members who were on the payroll as of September 1, 2013) for the cost of one administration of the ACT Work Keys test. Additionally, the district will provide appropriate resource materials for test review to current members of GPEPA prior to them taking the ACT Work Keys test. The actual time spent studying or reviewing for the ACT Work Keys test and actually taking the test will occur outside of the work day and will not be compensated.
- 4.2 All paraprofessionals beginning employment with GPPSS after September 1, 2013, shall meet the NCLB Highly Qualified requirements prior to being hired.
- 4.3 The parties agree to form a committee of Board and Association representatives as needed to review and discuss professional development opportunities for paraprofessionals.

HEALTH REQUIREMENTS

4.4 Each employee shall maintain a condition of health sufficient to permit him/her to successfully perform the expressed and implied duties of his/her position. The Board reserves the right to require a health examination of any employee by a doctor designated by the Board at the Board's expense.

ASSAULT UPON AN EMPLOYEE

4.5 Any case of assault upon an employee shall be promptly reported to the Board. For any such assault which occurs during the performance of official duties, and within the scope of board policy, the Board will advise the employee of his/her rights and obligations with respect to such assault. Moreover, the employee will not suffer any loss of wages for an absence due to such assault up to the time he/she qualifies for workers' compensation. However, if such (workers'

compensation) benefits are made retroactive the Board shall recover all wages paid during the period of retroactivity.

WORKERS COMPENSATION

- 4.6 Workers Compensation shall be provided as specified by law. In addition, the Board will pay to the employee the difference between the amount paid by Workers Compensation and his/her regular daily rate, and will charge the employee's sick leave accumulation proportionately for a period equivalent to the nearest half day. In no case will Board assistance extend beyond the employee's leave bank limits.
- 4.7 Moreover, fringe benefits (including vacation, holidays, insurance benefits, etc.) will not be extended beyond the commencement of long term disability except health insurance which shall be continued for a period of one year from the date of insurance carrier approval of long term disability benefits.

LIABILITY INSURANCE

- 4.8 Each employee, while acting within the scope of his/her official duties and board policy, will be covered by the provisions of the school district's liability insurance policy.

PERSONNEL FILE

- 4.9 No official report or derogatory statement about an employee shall be considered part of an employee's personnel file unless such employee is sent a dated copy. The employee shall have the right to submit a response to the report or statement. Every employee has a right to review the contents of his/her personnel file. The employee may request that negative material of a non-recurring nature be removed from the file after three (3) years.

ARTICLE V

WORKING CONDITIONS

WORK YEAR

- 5.0 The work year for paraprofessionals shall be all student attendance days, the first teacher day, and all professional development days. It would exclude records days, conferences, and collaborative planning. The last student day shall be a full workday. Some employees may be required by the appropriate administrator to work on days (or half days) when students are not in attendance. Those employees required to work when students are not in attendance will normally be given notification at least five days in advance of such work week requirements. Hall monitors shall not be assigned to work non-student attendance days unless given advanced notice by the building administrator.

WORK WEEK

- 5.1 The normal work week for full time employees shall be between thirty (30) and thirty-seven and one-half (37.5) hours. Some employees may be required by the appropriate administrator to work more than thirty-seven and one-half (37.5) hours per week. The typical day for elementary paraprofessionals will be 6.5 hours, except kindergarten paraprofessionals are 6.75 hours. The typical day for elementary special education paraprofessionals will be 7.0 hours, and the typical day for middle school and high school paraprofessionals will be 6.75 hours. The typical work-day for Hall Monitors will range between 6.75 – 7.5 hours, depending on the duties/responsibilities assigned by the administrator. Subject to the above limitations, it is the intent of the agreement that employees report to work five minutes before the start of the student day and leave work five minutes after the end of the student day. A work week of less than thirty (30) hours is considered part time employment. Employees shall be paid the appropriate hourly rate for the number of hours worked per week. Individual work schedules for each building will be established by the appropriate administrator. All employees will be entitled to a duty-free unpaid lunch period of at least thirty (30) minutes. However, depending upon building assignments, this unpaid lunch may

be extended to coincide with the student lunch period. An alternative lunchtime will be mutually agreed upon by the employee and the building administrator. All full time employees are entitled to a ten (10) minute break in the morning and a ten (10) minute break in the afternoon. Such breaks cannot be used to extend the lunchtime break unless mutually agreed upon by the employee and the building administrator.

- 5.2 Building principals will give each employee a written copy of their work schedule within the first workweek. A copy of the schedule will be sent to the Association President.

PLAYGROUND OR LUNCHROOM DUTIES

- 5.3 A bargaining unit employee may be asked to supervise lunchrooms and/or playgrounds. If assigned to these duties, that employee shall be paid at his/her contractual hourly rate and will be paid through completion and submission of a timesheet. An employee may choose to clean lunchrooms but will not be required to do so.

OVERTIME

- 5.4 Approved overtime in excess of the regular work week but less than 40 hours per week will be compensated at straight time in money. Approved overtime in excess of 40 hours per week will be compensated at time and one-half in money.

EMPLOYEE CATEGORIES

- 5.5 The Board and the Association recognize three categories of employees: full-time, part-time, and probationary.

SUBSTITUTES

- 5.6 A substitute may fill a vacancy for a period not to exceed thirty (30) duty days. A position to be vacated for a period longer than thirty (30) duty days will be posted. If urgent need necessitates the hiring of temporary personnel, the Administration will meet with the Association to so advise the Association and to determine the duration of said position(s).
- 5.7 The District shall actively recruit for all vacant positions and upon exhaustion of such efforts may use temporary substitute employees, as long as the District continues to seek to fill said vacancy.

SUBSTITUTE TEACHING

- 5.8 In an emergency situation, a paraprofessional who is a certified teacher may be asked to substitute for a teacher who is absent from school. Accepting substitute assignments will be voluntary. No paraprofessional will be substitute for more than five (5) days in a school year.

PROBATIONARY PERIOD

- 5.9 Employees shall be on probation for the first ten (10) months of employment during their work year. If the probationary period is not completed by the end of the current year the time remaining for its completion shall be served during the next year. The Association shall represent probationary employees for the purpose of collective bargaining and administering the Agreement. However, during the probationary period the Board shall have sole discretion in matters of discharge and discipline of such employees, but such action shall be subject to review through Step Two of the grievance procedure and the determination made at that Step Two shall be final.
- 5.10 Probationary employees shall not be eligible for sick leave and holidays during the first three (3) months of employment. Upon successfully completing this trial period probationary employees will become eligible for sick leave, and holidays.

ASSIGNMENTS AND TRANSFER

- 5.11 Assignment to a position within a category or subcategory will be made by the appropriate administrator in the best interests of the educational program and the school system. Prior to final assignments, the administrator will consult with the President of the Association to discuss the process. The Board will notify the GPEPA President of any transfer, change or assignment, or new hire.

- 5.12 Transfer shall be defined as a change of building and/or category or subcategory. However, it does not include a change of building which results from the movement of a program.
- 5.13 Vacancy shall be defined as an opening resulting from retirement, resignation or other termination of employment. It shall also include a new position.
- 5.14 When the Board has declared that a vacancy exists it will post such vacancy on the district web site for a period of at least six working days. The posting will include the category or subcategory, building, duties, hourly rate, hours per week, and deadline for receiving applications. During the summer months (when school is not in session) vacancies will continue to be posted on the district web site.
- 5.15 Normally, each employee who applies for a posted position will be granted an interview with the appropriate administrator(s).
- 5.16 Transfer of an employee will be based on demonstrated aptitude, skills, training, ability to work effectively with students and staff, and experience both in and outside the district.
- 5.17 Each employee will be informed in writing of the disposition of his/her transfer request within six duty days after all interviews are completed.
- 5.18 An employee may be transferred by the Deputy Superintendent of Human Resources or designee, when, in his` judgment, it is in the best interests of the instructional program and/or the school district. It is agreed that the decision to transfer an employee will not be made in an arbitrary or capricious manner. Moreover, no employee will suffer a reduction in wages as a result of such transfer. The Association President will be consulted during this process.

DISCIPLINE/DISCHARGE

- 5.19 No employee who has successfully completed his/her probationary period shall be disciplined or discharged except for reasonable and just cause. Normally, disciplinary action will be taken in private and the employee may request that an Association Representative be present.
- 5.20 The types of disciplinary action which normally will be taken are a warning, a written reprimand, suspension without pay, and discharge.
- 5.21 The Board shall consider the following acts as examples of but not limited to the type of conduct which may constitute just and reasonable cause for discharge or suspension without pay for such period as the Board may determine of an employee:

Insubordination, which is defined as a willful disobedience of an order or instruction of a designated superior acting within the realm of his/her responsibility and authority, subject only to the situation where compliance with the order or instruction would clearly endanger the health or safety of the employee involved.

Repetition of conduct which was the basis of a previous written warning to the employee during the same school year or of two prior written reprimands (for the same or similar offense) given the employee any time during a two (2) year period of employment by The Grosse Pointe Public School System.

An intentional false material statement or representation made in his/her employment application if discovered in the first three (3) years of employment.

Intentional destruction or theft of property of the Board of Education, or of fellow employees of the Board, or of a student.

Illegal personal misconduct, including immorality or assaulting, endangering or threatening to endanger, the person of any other employee or any student.

Reporting to work in an intoxicated condition and/or the use of or consumption of alcohol during the work day.

Any behavior on the job which is illegal either under Federal or State laws or statutes.

Conviction of or pleading guilty to, a felony charge in any criminal court of record.

EMERGENCY CLOSING OF SCHOOLS

- 5.22 It shall be the responsibility of the Board to determine whether conditions warrant the closing of schools. If it is determined that a school or schools should be closed (and no delayed opening is planned), employees of those schools shall not be required to report to their job assignments and will not suffer any loss of pay. If a building is closed after the start of the normal work day, the employee shall suffer no loss of pay for that day. All employees are required to report for duty at times when only a fraction of the school system may be closed down. In the event of an emergency when only some children are excused on a scheduled day of attendance, instructional paraprofessionals may be reassigned to other duties or buildings for the duration of the emergency.

EVALUATION

- 5.23 Probationary employees will be evaluated twice during their probationary period, once at the end of the trial period (first three months) and once before the end of the probationary period (total of ten months). If, after the first evaluation, the work of a probationary employee is not satisfactory, the employee will be placed on an Individualized Plan of Improvement. After a successful probationary period is completed, each employee will be evaluated at least once every three (3) years. An evaluation will also be performed when: (1) there has been a major categorical change of assignment within a building; (2) there has been a change in building assignment; (3) there has been a concern indicated. It is understood that all evaluations will be in writing. An employee will have an opportunity to discuss his/her evaluation with his/her supervisor, a reasonable time to prepare a supplementary statement for inclusion in his/her files if he/she wishes, and a copy of the evaluation.

ADMINISTRATION OF MEDICATION TO STUDENTS

- 5.24 An employee shall not be required to administer medication to students unless directed by his/her administrator to do so. When required to administer medication to a student, such administration must be done in the presence of another adult pursuant to written permission of the pupil's parents or guardian and in compliance with the instructions of a physician.

FIRST AID, HYGIENE, MEDICAL PROCEDURES

- 5.25 No employee shall be required to administer any first aid for a student. An employee may, however, administer first aid at his/her discretion when the situation so demands. It is the responsibility of the employee to exercise reasonable protective attention to a student and take immediate steps to notify the proper authorities in the event of a student injury or illness. No employee shall be required to perform any personal care hygiene procedure or invasive procedure for a student without an adult witness present. At the time of initial employment, paraprofessionals will be advised that unit members may be required to perform these duties.

TRAINING

- 5.26 The District will provide new employee orientation for all employees new to the bargaining unit within a month of the employee's hire date. This orientation shall take place during the employee's scheduled work day. The orientation will include the District policies, the educational programs in which they shall be employed, and the laws which affect their work environment.
- 5.27 Instructional paraprofessionals will be provided appropriate supervised training before performing medical or physical procedures with students who have medical needs, especially those students who are determined to be medically fragile.
- 5.28 Emergency medical procedures will be identified. The paraprofessional will be trained in these procedures. Said procedures will be posted in the facility where the procedure is to be administered. A certified health care professional will be available by phone at all times the procedure is to be administered.

HEPATITIS IMMUNIZATION

- 5.29 Paraprofessionals who are at risk of contracting Hepatitis B because of the nature of the care they provide shall be eligible to receive Hepatitis B immunization. Administration will determine risk.

TRANSPORTATION OF STUDENTS

UNPAID LEAVE OF ABSENCE

- 6.0 The Board may grant an employee an unpaid leave of absence for any purpose it considers worthwhile for a period not to exceed one-year subject to renewal at the discretion of the Board for an additional period not to exceed one year. Upon expiration of leave an employee who was on leave one month or less or was on leave two months or less due to illness or disability will be returned to his/her position. Employees whose leave are in excess of the one or two months above shall be eligible for the first vacancy for which they are qualified. Moreover, satisfactory evidence of physical or mental health shall be filed with the Board as directed before the employee is returned to duty.
- 6.1 Upon application to and approval from the Assistant Superintendent of Human Resources, an employee may receive a short unpaid leave of absence for worthwhile needs. The leave shall not interfere with the continuity of operations.

LEAVE OF ABSENCE – LONG TERM DISABILITY

- 6.2 When an employee becomes eligible for LTD benefits, they shall be considered to be placed on a health leave for the remainder of the school year, and their position shall be posted, notwithstanding their continued eligibility for LTD benefits. The employee shall notify the Human Resources Department not later than April 30 of her/his intent to return to work for the subsequent school year. Such return shall be subject to all other relevant provisions of the agreement. In the event that the employee is not able to return to work at the commencement of the next school year, an additional year's health leave shall be granted. In no case shall such leaves extend beyond four years in duration.
- 6.3 For purposes of leave, illness or disability means the complete inability of the employee, due to sickness or injury, to perform any and every duty pertaining to his/her assignment with the Board. Illness includes cases where emergency medical procedures are required. Illness or disability shall not exist where an employee is actively working for the Board, another employer, or in self-employment. Illness or disability shall not exist where caused or contributed by intentionally self-inflicted body injury or war or any act of war.
- 6.4 An employee shall keep his/her building administrator reasonably advised of his/her whereabouts while on leave.
- 6.5 In personal illness cases of an emergency or unanticipated nature, absence will be reported to automated attendance line prior to 7:00 a.m. If such notification is after 7:00 a.m., a phone call is required to the employee's building administrator as soon as possible but at least one (1) hour before the employee reports for work. However, any employee who is scheduled to begin work after 11:00 a.m., will be expected to give three (3) hours' notice. Failure to meet this requirement will result in the deduction of a day's pay except in extenuating circumstances. If the unanticipated

illness appears that it will continue beyond the initial day, the employee shall notify his/her building administrator by 3 p.m. of the first day of absence as to the approximate duration of his/her illness. In cases where necessity for leave can be anticipated, application for such leave shall be made on the prescribed form, available at any school office, and forwarded to the office of the Deputy Superintendent of Human Resources or designee.

- 6.6 An employee may be required at the time of his/her absences to furnish information and/or a physician's certificate concerning his/her absence as the Board may require. When an employee is unable to substantiate the necessity of a leave of absence by a physician's certification, where required, or where it is otherwise determined by the Board that illness or disability of an employee does not or did not exist although claimed by an employee for purposes of obtaining leave, absence from duties in such cases shall be deemed an unexcused absence and subject to pay deduction as well as to other disciplinary action.

GENERAL LEAVE OF ABSENCE

- 6.7 Eligible employees on leave shall be paid at a daily rate determined by their base salary for regularly scheduled duty days during which they are absent from work by reason of illness or disability. Pay for use of Individual Roll Bank time will be paid at 75% of the hourly rate.
- 6.8 If benefits continue to be payable in a succeeding school year, such benefits shall be increased on the date the employee would have begun active employment in such succeeding school year had she not become ill or disabled, such increase to be determined by the employee's contracted base salary for such ensuing school year.
- 6.9 Leave benefits shall be reduced by benefits payable to the employee under the Michigan Workers' Compensation Act, for such period of illness (excepting payments under such laws specifically for hospital or medical expense, or for specific allowances for loss of members or disfigurements) and leave time will be charged on a pro rata basis. Any lump sum settlement in redemption of liability under such laws shall result in the reduction of leave benefits in amounts equal to the workers' compensation benefits the employee would have been entitled to had there been no lump sum redemption, but not to exceed in total the amount of the settlement. Moreover, fringe benefits (including vacation, holidays, insurance benefits, etc.) will not be extended beyond the commencement of long-term disability except health insurance which shall be continued at the employee's cost in accordance with Federal Law.

TERMINATION OF BENEFITS

- 6.10 The Board has purchased an insurance contract providing long term disability insurance, as described in Appendix B, for all employees who have completed one year of service. Leave benefits shall terminate as of the date the employee exhausts coverage under Article 6.2 - 6.6 or becomes eligible to receive, or would be entitled to receive upon timely pursuit of a claim therefore, monthly income benefits as provided in said long term disability insurance contract.
- 6.11 Leave benefits for employees who qualify under Articles 6.2 – 6.6 shall terminate in any event at the expiration of leave bank time (unless the employee subsequently becomes re-eligible by return to regular employment), notwithstanding the fact that such employee may be ineligible for long term disability insurance benefits for reasons beyond the control of the Board of Education. Leave benefits for probationary employees shall terminate upon exhaustion of leave bank time.
- 6.12 Leave benefits shall terminate upon the occurrence of the employee's retirement date or upon any other separation of employment with the Board.

APPLICATION FOR LEAVE

- 6.13 Absences shall be reported to automated attendance line prior to 7:00 A.M. If such notification is after 7:00A.M., a phone call is required to the employee's building administrator as soon as possible but at least one (1) hour before the employee reports for work. However, any employee who is scheduled to begin work after 11:00 a.m. will be expected to give three (3) hours' notice. Failure to meet this requirement may result in an appropriate deduction of pay unless failure to notify was beyond control of the employee. If the unanticipated illness appears that it will continue beyond the initial day, the employee shall notify her immediate supervisor by 3:00 p.m.

of the first day of absence as to the approximate duration of their illness so that substitute arrangements can be made.

- 6.14 When an employee's leave of absence is anticipated to extend beyond ten (10) duty day, the employee may be required to provide the Human Resources Department with a physician's certificate, on a prescribed form, indicating the nature of such illness and the anticipated period of absence. The employee may be required to file additional certification each thirty (30) days thereafter and immediately prior to return to duty. During the period of confinement, and prior to return to duty, the board may require an examination by its physician at board expense. The decision of the board physician shall be final.

RETURN TO DUTY

- 6.15 Return to duty from extended leaves of absence shall be subject to the following conditions:

Satisfactory evidence of physical or mental health shall be filed with the board as directed before the employee is returned to duty;

An employee shall be returned to their assignment at the conclusion of a period of approved leave not to exceed one-half of the employee's work year, subject to Article VII (Reduction of Staff) The board shall make every effort to return an employee who has been on an extended leave of absence exceeding one-half of her work year to the same or comparable job to that held before the leave, and shall extend the leave for an additional year if requested to do so by an employee who is unwilling to accept a different assignment;

In the case of a retirement or leave of absence involving an emotional or mental health problem, the board shall determine such employee's ability to return to duty. This determination may be based on an advisory opinion from a panel of three qualified physicians. In such cases, the panel of physicians shall consist of one physician selected by the employee, one selected by the board, and a third selected by the other two appointees. The recommendations of this panel (which shall be advisory only as to the matter) shall be placed in writing, with a copy thereof being made available to the employee. The board will assume the payment of fees for the services of all three physicians in this regard.

ABUSES OF SICK LEAVE POLICY

- 6.16 An employee may be required at the time of their absences to furnish information and a physician's certificate concerning their absence as the board may require. When an employee is unable to substantiate the necessity of sick leave absence by a physician's certification, where required, or where it is otherwise determined by the board that illness or disability of an employee does not or did not exist although claimed by an employee for purposes of obtaining sick leave, absence from duties in such cases shall be deemed an unexcused absence and subject to pay deduction as well as to other disciplinary action.

SHORT TERM LEAVES BEYOND THE CONTROL OF THE EMPLOYEE

JURY DUTY

- 6.17 An employee who serves on jury duty will be granted a leave of absence. The employee will be paid for the days while on jury duty. When the employee is excused from jury duty for a half day or more he/she must notify his/her building administrator immediately and report to his/her work location. Employees will complete the proper form and submit official proof of the days served.

FUNERAL LEAVE

- 6.18 Leave with pay for up to five (5) duty days because of death in the immediate family, beginning with the first day of absence and ending four (4) duty days later, additional days may be granted at the discretion of the Superintendent or designee, and are not subject to Article 6. PERSONAL ILLNESS LEAVE (PREVIOUSLY SICK LEAVE)

- 6.20 For purposes of Personal Illness, illness or disability means the complete inability of the employee, due to sickness or injury, to perform any and every duty pertaining to his/her assignment with the Board. Illness includes cases where emergency medical procedures are required. Appointments for medical examinations and diagnostic testing or for other health or medical care appointments which cannot be scheduled outside the normal school day shall qualify for leave under the terms of sick leave. Illness or disability shall not exist where an employee is actively working for the Board, another employer, or in self-employment, or is confined in a penal institution. (CCL)

FAMILY ILLNESS

- 6.21 Paid leave for emergency or serious illness in the immediate family. This leave is primarily for the purpose of making arrangements for necessary medical or nursing care. Immediate family for this purpose shall mean: grandparents, parents, siblings, child, spouse, stepparents and stepchildren.

PERSONAL BUSINESS (PREVIOUSLY PERSONAL LEAVE)

- 6.22 Employees may use up to two (2) days annually of their Individual Leave Bank for Personal Business. It is agreed that personal business days are provided for the vast number of business, professional, family, and religious obligations a teacher regularly encounters which cannot be met outside the regular school day. Personal business days are not intended for casual or indiscriminate use. It is not permissible to use personal business days for: recreational or sporting events (hunting, fishing, athletic contests of all kinds), shopping, job hunting, vacation, and other employment of any kind. Normally, personal business leave applications shall be processed a minimum of two school days before the leave occurs, however, circumstances may arise that do not permit the employee the opportunity to provide two (2) day advance notice. When requesting a personal business day, employees shall provide the reason for the absence (as defined above). In the event administration needs further clarification, the employee shall provide such clarification as requested.

FUNERAL OF A NON-IMMEDIATE FAMILY MEMBER

- 6.23 Leave to attend the funeral of a non-immediate family member. For the purposes of this category immediate family member is defined as a spouse, parent, spouse's parent, grandparents, sister, brother, child, grandchild, daughter-in-law, son-in-law, stepchild, foster child, step-parents or step grandparents of either the employee or their spouse.

DEFINITION OF NON-VESTED & VESTED

- 6.24 For the purpose of using leave time, members of the GPEPA are categorized as being in one of the following categories:
- 6.25 Non-Vested – Non-Vested GPEPA members are who have not been with GPPSS for four full years.
- 6.26 Vested – Vested GPEPA members who have been with GPPSS for four full years or more.

Vested Members of the GPEPA Only:

INDIVIDUAL LEAVE BANK

- 6.27 Each employee will be provided 10 days at the beginning of the school year an individual leave bank. Days in this bank may be used for personal illness, family illness, personal business

(maximum of two per year) and the funeral of a non-immediate family member. While an employee is using days from their Individual Leave Bank they will be paid their regular rate of pay.

INDIVIDUAL ROLL BANK

- 6.28 Each vested employee shall be provided an Individual Roll Bank for their use for Personal Illness absences in a school year once their Individual Leave Bank has been depleted. When using their Individual Roll Bank an employee may be required to provide a copy of a doctor's note substantiating that the medical condition prevents the employee from being at work.
- 6.29 Employees may use their Individual Roll Bank days for absences that exceed their provided number of Individual Leave Bank days through their 29th day being absent. Once an employee is absent more than 29 days in a year they may not use Individual Roll Bank days even if they have Individual Roll Bank days remaining in their personal account.
- 6.30 After an employee has exhausted his/her annual Individual Leave Bank, they may use up to five (5) days from their Individual Roll Bank for the purpose of Family Illness per year.

ADDITION OF DAYS TO ROLL BANK

- 6.31 Days will be added to the Individual Roll Bank on an annual basis using the following formula:
- 6.31.1 Number of days remaining in the employee's Individual Bank from the previous year divided by 3. All amounts less than .5 will be rounded down to the next whole number.

SHORT TERM DISABILITY PLAN

- 6.32 The district shall create and fund a self-funded Short-Term Disability plan for vested employees. This plan will be administered by a 3rd party of the district's choice. Employees will only be eligible to use the Short-Term Disability plan for their own personal illness defined as when they are unable to perform the material and substantial duties of their own occupation because of sickness or injury, and are under the regular care of a doctor.
- 6.33 Employees may receive compensation from the Short-Term Disability plan starting with their 25th consecutive duty day of absence through a maximum of their 89th day of absence. Absences starting with their 91st consecutive duty day of absence shall be covered by the district LTD plan.
- 6.34 Upon the 30th day of absence from the employee shall be provided 66 2/3rds of their daily rate up to \$290 per day whichever is smaller. Compensation through this plan will be paid through the 3rd party administrator. Compensation through this plan is not considered compensation by the Office of Retirement Services and will not be subject to MPSERS.
- 6.35 For the purpose of computing an employee's daily rate the salary plus any longevity payment will be used.
- 6.36 The following is an example intended to illustrate the effects above:

Betty Smith is a vested paraprofessional who had started the 2014-15 school year with 16 days in her Individual Roll Bank. Betty experienced the following absences: September 14 & 15 (2 days) – Personal Illness from Individual Leave Bank; October 12-14 (3 days) – Family Illness from Individual Leave Bank; January 10 (1 day) – Personal Business from Individual Leave Bank. On February 1st Betty suffers a medical condition that prevents her from attending work for 45 work days. The first 6 days of the absence, Betty uses her remaining Individual Leave Bank days (receiving her full pay). For absences number 7 through 22 (16 days) Betty uses her Individual Roll Bank days (receiving 75% pay). For absences 23 – 29 Betty applies and is awarded 7 days from the Community Roll Bank (this option is only available in the 13-14 and 14-15 school years) where she receives 75% pay. For absences 30 – 45 Betty is compensated via the 3rd party administered Short Term Disability plan at a rate of 66 2/3rds of her daily rate or \$290, whichever is less.

LONG TERM DISABILITY BENEFIT

- 6.37 The district shall fund a long-term disability plan that pays the employee 60% of their daily rate starting after the 90 day elimination period. In the event that the employee experiences a gap in compensation between STD and LTD, the district shall fund a bridge of continued STD.

PART TIME EMPLOYEES

- 6.38 When using days from their Individual Leave Bank, Individual Roll Bank or the Short-Term Disability Plan part-time employees will be awarded and will use a fractional day equal to their current FTE. The following example is intended to illustrate this effect:

During the 2016-17 school year Barbara Smith is a .5 FTE vested employee with 8 days in her Individual Roll Bank to start the school year.
Barbara becomes ill on October 1st and per her doctor's orders she must miss 3 weeks (15 days) of work.
Barbara uses her 5 Individual Leave Bank days (10 days times her FTE of .5) for the first 10 half days of the absence. After these first 10 half days her Individual Leave Bank was exhausted. She uses 5 half days or 2.5 total days of her 8 available Individual Roll Bank days to provide her compensation (these days will be paid at .5 of her daily rate. The 75% pay deduction will only be applied to each day she uses an Individual Roll Bank day.)

HEALTH INSURANCE PREMIUM

- 6.39 The employee shall be eligible for Board Paid insurance coverage (health, dental and vision) while using Individual Leave Bank days, Individual Roll Bank days or Short-Term Disability coverage. The employee will be responsible for paying the employee portion and any 20% surcharge as outlined in B 11.16.

WORKER'S COMPENSATION

- 6.40 Employees absent for work for an absence eligible for Worker's Compensation payments will receive their full pay (salary and longevity) through qualifying for LTD. If an employee is found eligible for Worker's Compensation payments, any Individual Leave Bank or Roll Bank days used by the employee for that absence reason will be restored.

FAMILY & MEDICAL LEAVE (FMLA)

- 6.41 The Board will grant up to twelve (12) weeks of family and medical leave during any twelve (12) month period to eligible employees in accordance with the Family and Medical Leave Act of 1993 (FMLA). Employees whose work day is considered full time (6 hours or greater) shall be eligible for the same benefits allowed other full time employees in accordance with the Family Medical Leave Act of 1993. All requests for such leave will be made to the Assistant Superintendent of Human Resources. When the need is foreseeable, notice will be given thirty (30) days before the start of the leave. If it is not possible for the employee to give thirty (30) days' notice, the employee must give as much notice as is practicable. Proper certification of the reason for the leave must be provided. An employee will be required to use all available paid leave time (i.e., sick leave, personal leave, and/or vacation leave) for all or part of the duration of the leave, with any balance of time being without pay. At the end of the leave, the employee will be returned to her/his position held prior to the leave or to an equivalent position with equivalent pay, benefits, and other terms and conditions of employment. All rules that govern FMLA shall apply to such leave other than the hour requirement which shall be understood to be a minimum of 1,050 within the previous year. This provision is effective as long as FMLA is not modified by law and remains effective in other district agreements.
- 6.42 The FMLA clock will begin on the day of the employee's absence from work for a FMLA eligible condition.

PAY FOR UNUSED INDIVIDUAL ROLL BANK DAYS

- 6.43 Effective with the 2013-14 school year, employees will be compensated \$50 per day for each Individual Roll Bank day remaining in their bank upon resignation for the purposes of retirement. (The final year of the employee's service in the district will be added to the final Individual Roll Bank calculation for the purposes of this payout.) This payout will be made into a 403(b) for the employee.

PATERNITY LEAVE

6.44 Employees may use their Individual Leave Bank for the purposes of paternity leave.

ADOPTION LEAVE

6.45 Female employees who are in the process of permanently, legally adopting a child may use available Individual Leave Bank Days and Roll Bank Days for the purpose of bonding with the new child. Employees may not use the Short-Term Disability program for this purpose.

6.46 Male employees may use Individual Leave Bank days for the process of permanently, legally adopting a child.

6.47 Employees continue to have their rights under the FMLA for adoption purposes.

NON-VESTED EMPLOYEES

6.48 While in the first four years of employment in GPPSS, employees shall be provided 10 days in an Individual Leave Bank. During the first 4 years in the district, the employee shall have full roll into their Individual Roll Bank. During the first 4 years of employment, an employee may access their own Individual Roll Bank for personal illness. Upon commencing employment with the district, an employee may elect to purchase access to a Short-Term Disability plan. After 4 full years of employment, an employee shall be considered vested for personal leave.

ARTICLE VII

REDUCTION OF STAFF

Seniority shall have two components: 1) length of service and 2) earned qualification.

7.1 Length of service shall be determined from an employee's uninterrupted date of hire. Employees on unpaid leaves of absence for more than 20 duty days shall lose seniority for all days in excess of 20 unpaid days.

7.2 Qualification is earned by successfully working 10 continuous months, one-half time or greater, within a specific work category outlined in Article 7.7. Once the qualification is earned, all of employee's earned year in length of service shall apply to any/all earned categories.

7.5 By May 1 of each year, the Board will provide the Association with an updated seniority list which includes both length of service and qualifications earned. The list will be distributed to each building in the District. Should a member disagree with her/his placement on this list, s/he will have fifteen (15) duty days from publication of the list in which to file a complaint with the Human Resources Department.

LETTER OF AGREEMENT

between

Grosse Pointe Schools (district)

and the

Grosse Pointe Educational Paraprofessionals Association (association)

The circumstances leading to this agreement are as follows. The continued problem of a shortage of substitute teachers to replace District teachers who need to be absent from work. In response, the parties have agreed to modify Article 5.9 of the applicable collective bargaining agreement for the balance of the school year in order to expand the opportunities that GPEPA bargaining unit members (hereafter "paraprofessionals") have to work as substitute teachers in the District and receive additional compensation.

The parties therefore agree as follows:

1. Article 5.9, entitled, Substitute Teaching, currently provides as follows:

"In an emergency situation, a paraprofessional who is a certified teacher may be asked to substitute for a teacher who is absent from school. Accepting substitute assignments will be voluntary. No paraprofessional shall be substitute for more than ten (10) days in a semester.

2. The parties agree that Article 5.9 above shall be deemed to be inoperative for the balance of the 2024-25 school year, and instead, the following terms, conditions and compensation shall apply to the matter of a paraprofessional acting as a substitute teacher for the District:

- a. Any paraprofessional with a minimum of 60 college credits may request to act as a substitute teacher in the District. A paraprofessional who is interested in acting as a substitute teacher, shall so inform the District's Human Resources (HR) Office, and submit the documentation required by the HR Office for this purpose. The District shall pay the costs of a daily substitute permit for qualified paraprofessionals for the purpose of substitute teaching in the District if required by the MOE.

- b. A paraprofessional shall be paid, two-hundred dollars (\$200) a day, minus their regular pay for each day that the paraprofessional, works as a substitute teacher, and an additional \$50 for each half day (half day/3class periods) that the paraprofessional works as a substitute teacher. A paraprofessional who works for one class period as a substitute teacher may submit a request for additional pay after he/she has accumulated three class periods for which he/she, works as a substitute teacher, in which case he/she shall be paid for a half day as a substitute teacher, receiving an additional \$25 for such two class periods in addition to his/her regular wage rate.

- c. A paraprofessional who works as a substitute teacher is to submit a time sheet for such additional pay at the end of the payroll period in which he/she performs the work. unless the paraprofessional has worked less than three hours as a substitute teacher during that payroll period, in which case the paraprofessional should submit the time sheet by the end of the payroll period in which he/she has accumulated as least three hours of work as a substitute teacher.

- d. A paraprofessional shall not be asked to sub more than ten (10) days in a semester.
- e. The paraprofessional shall only fulfill the duties required of a substitute teacher, they shall not: plan, grade, etc. or perform any other duties or have any other responsibilities of the absent teacher.

3. This agreement expires on the June 30, 2026.

The parties further agree that this agreement is in recognition of the extraordinary circumstances presented by the teacher and substitute shortage. This agreement does not establish in any way whatsoever a precedent of any kind.

Furthermore, unless specifically addressed above, the collective bargaining agreement, and mutually agreed to letters of agreements shall prevail and no further changes shall be made to the agreement without mutual written agreement.
