

EVERYDAY MATH

Section 1

Section One has a number of main areas of focus:

- To introduce materials that will be used throughout the year, such as pattern blocks, rocks, coins, and other manipulatives.
- To develop counting skills through multisensory activities and games.
- To build familiarity with the numbers 0-10.
- To introduce sorting by attributes.
- To introduce patterning through multisensory activities.
- To introduce graphing by creating age and birthday graphs.
- To explore measurement by comparing lengths.
- To explore shapes and shape combinations.
- To introduce volume by measuring beans and
- To establish our daily routines which were explained in the packet I handed out at Back to School Night. If you were not in attendance, it would be found in the book box of goodies that came home with your child.
