

EVERYDAY MATH

Section 7

Section 7 has a number of main areas of focus:

- To introduce the concept of 10's and 1's and place value using concrete materials. (We have done this daily all year long)
- To introduce name collections through continued exploration of equivalent names and numbers
- To introduce quarters and reinforce the names and values of other coins
- To reinforce addition and subtraction skills and the use of number sentences to model addition and subtraction number stories
- To extend data collection and graphing skills
- To continue activities with 2 and 3 dimensional shapes
- To continue to explore "What's My Rule?" activities with sorting and patterning, and
- To reinforce and extend counting, estimation, and other numeration skills.
