

**Writer's Workshop**  
**Unit 7**  
**Informational Writing: Personal Expertise**  
**(includes Animal Books and Reports)**

Concept I: Writers select things they know all about so they can teach others.

Concept II: Writers plan and write information in an organized way.

Concept III: Writers reread and revise by elaborating to make books longer.

Concept IV: Writers elaborate by rereading and revising to add text features.

Concept V: Writers select and "fancy up" a piece to share with others.
