

## HOW CAN PARENTS HELP?

It is important for parents to respect, follow and model the guidelines set forth in the matrix. If children see the rules being followed, they will do the same.

- Parents can help by reading and discussing the Behavior Expectations Matrix on a regular basis.
- Review the 7 Habits with your child.
- Require your child to speak respectfully to others, especially adults.
- If your child has a problem in school, review with him/her the Behavior Expectations Matrix and discuss other possible solutions.
- Support the actions of the Ferry Leadership Team
