

Grosse Pointe Public Schools Instrumental Music Enrollment Info/Instrument Selection Form

Fourth graders were introduced to the Grosse Pointe Public Schools' Instrumental Music Program today! The presentation they attended included a program overview, informational video, instrument demonstrations, and Q & A session. Students were given brochures; which parents should receive along with this form. Students were asked to think about their 1st and 2nd choices of instruments they would like to play next year. On "Fitting Day", students will have the opportunity to try their instrument choices and see which instrument is the best fit. Staff will help students produce a basic sound on mouthpieces/instruments and narrow their choices to a final recommended and approved selection. Parents may then go online and enroll their child in the program!

Here's what to do if you would like your child to participate next year:

- Please read the informational brochure and/or visit our website for all the necessary information about our program: <http://bit.ly/gpinstrumental>. Discuss your child's instrument choices and make sure they understand the responsibility that comes with participation in the program (handling instrument carefully, practice, attending concerts, etc.).
- Provide the requested information on the back of this flyer (Instrument Selection Form) and return it to school on "fitting day." Students will be able to try out the different instruments and – with help from staff – narrow their choices to a final approved selection. Student preference, physical characteristics, balanced classes, and instrument availability will be considered as final recommendations are made. Students should take this form back to mom or dad so enrollment can be completed (online only).
- After your child's fitting day, visit our website at <http://bit.ly/gpinstrumental> and click "Online Enrollment and First Semester Instrument Rental". Complete and submit all enrollment info. **Be sure to select the recommended/approved instrument.** You may choose to pay the rental fee now or later. If you choose to pay now you will be directed to the secure instrument rental page. Instrument rental fees are \$87 per semester and there is a nominal book fee. *The payment deadline is May 1, 2020.* **Please note that alto saxophones and percussion kits are not rented by Grosse Pointe Schools; parents should enroll their child online then contact an area music retailer to rent these instruments.**
- Complete the online enrollment/rental process and your child will be registered and a quality instrument will be ready for your child to use in the fall!

***Please provide requested information on the back of this flyer
and return it on your school's Fitting Day!***
