## LEPRECHAUN TRAP PLANNING SHEET

The Kindergartners are researching leprechauns! Students should use the information that they have learned to design and create a LEPRECHAUN TRAP. Family participation is encouraged. Please help your child complete this form, and return it with the leprechaun trap.

*Draw a line under all the things that tell about your trap.*

**Materials** : I will use these things to make my trap.

A box            A bag            A jar            Wood

Paper            Glue            Tape            Nails

Stickers        Glitter            Paint            Crayons

**Bait:** These things will make the leprechaun want to come to my trap!

Shamrocks        Sparkles        Potatoes        Food

A rainbow        A sign            A shoe            A tree

Gold            Green            Money            Toys

**Gotcha!** This is how I will catch the leprechaun.

**Slam Trap** - Something will come down.

**Sticky Trap** - Something will make him stick in the trap.

**Hole Trap** - He will fall in a hole.

*Please draw a picture of your trap on the back of this paper.*
