

# Summer Bridge Learning

Go to [student.freckle.com](http://student.freckle.com) throughout the summer to practice reading and math skills. You can also go on RAZKids, Lexia, Everyday Math and XtraMath. The codes needed for these programs are included in your folder.

Reading books from the library, practicing fact triangles and writing stories are also excellent ways to prepare for third grade. Have you signed up for the Summer Reading Program at the public library? ☺

Record the number of minutes spent each week on these activities and include your parent's signature. Return your record sheet to school so you can be part of the school carnival in September. A little bit each week will help you avoid that summer slide!

*Mrs. Brauer and Ms. Neely*

*Freckle Math class code: brauep*

*RazKids teacher password: brauera*

*student password: gpps1234*

*LEXIA password: use student number ID and password*
