

September Book Report

Due: \_\_\_\_\_

Name \_\_\_\_\_

Each month your child will be assigned a book report. The attached form is the September book report. Because it is fairly simple, I expect it to be neat, neat, and neat. Keep the following things in mind as you complete your report.

1. Read a good book. It must be a Chapter book. It must be a book you have not read before. Include this book on your September reading log.
2. Fill out the attached sheet. Be sure you....
  - Use capital letters when needed (5 points)
  - Write detailed, complete answers (5 points)
  - Do your personal best writing and drawing (5 points)
  - Be prepared to share this information with the class (5 points)(This project is worth a total of 20 points)
3. You can always turn your report in early. However, if you turn it in late, you will lose one point for every day it is late.
