

FUNDRAISERS

Playground Fundraiser

Our community's beloved Richard Elementary playground is on its last leg. It may not appear that old, but it has served the community for over 25 years! Some of your children, grandchildren, or maybe even you, have enjoyed this playground over the past few decades. It is time to build a safe place for not only Richard families to enjoy, but also for those in the community that enjoy this common space.

This year 100% of our fundraising efforts will go towards replacing the existing playground structures. This is the largest fundraising mission we have had in years and we need your help.

The Richard playground is an integral part of our community. It is a place where children can climb, slide, and swing with their friends, practice healthy living, find a quiet place in the shade to read a good book or toss a football with their buddies. It is a wonderful resource for our community and we want to ensure that ALL children continue to have a safe space to play, be healthy and be together. Thank you in advance for your support in helping us reach our goal!

Our playground is your playground. Please show your support & donate.
