

## Addendum #1

**To:** Interested Vendors  
**From:** Alex Dietrich – Plante Moran  
**Date:** December 7, 2020  
**Re:** Grosse Pointe Public School System Structured Cabling RFP

---

In addition to what is outlined in the RFP scope, construction meetings will be held weekly at each building once construction begins. The awarded vendor must attend these weekly meetings.

The following are answers to questions received during the open question period:

Question	Answer
1. Is there an intention reinstate any of the coaxial plant in these buildings?	There is no intention to reinstate any coaxial connections.
