GPPSS Wireless Instructions for Apple iOS Devices

- 1. Open your device's Setting app.
- 2. Tap Wi-Fi
- 3. Tap "GPPSS-Secure" in the network list.
- 4. Enter the following settings:
 - a. Username: your GPPSS User ID
 - b. Password: your GPPSS password
- 5. On the Certificate window, tap Trust.

	Enter the password for "GPPSS-Secure"
