

Open your device’s network settings:

Android: Open your device’s Settings app > Tap Network & internet Wi-Fi

iOS: Open your device’s Setting app. > Tap Wi-Fi

Windows: Left click the Wireless Network Connection icon on the Taskbar.

Choose the *GPPSS-Guest* network

Complete this form:

The screenshot shows a web browser window with the address bar displaying 'cppm.gpschools.or'. The page title is 'Self-Registration'. On the left is the Grosse Pointe Public School System logo, which is circular and contains the letters 'G.P.P.S.S.' and 'SINCE 1921'. To the right of the logo is the heading 'Self-Registration'. Below the heading is the instruction: 'Please complete the form below to gain access to the network.' The form itself is titled 'Self-Registration' and contains the following fields:

- * Your Name:** A text input field with the placeholder text 'Please enter your full name.'
- * Email Address:** A text input field with the placeholder text 'Please enter your email address. This will become your username to log into the network.'
- * Phone Number:** A text input field with a dropdown menu for country code (currently showing 'USA') and a pre-filled area '(201) 555-0123'. The placeholder text is 'Please enter your contact phone number.'
- * Organization:** A text input field with the placeholder text 'Please enter your organization name.'
- * Reason for Visit:** A text input field with the placeholder text 'Please enter your reason for visiting.'
- * Confirm:** A checkbox followed by the text 'I accept the [terms of use](#)'.

At the bottom of the form is a 'Register' button. Below the form, there is a note '* required field' and a link 'Already have an account? [Sign In](#)'. At the very bottom of the page is the copyright notice: '© Copyright 2022 Hewlett Packard Enterprise Development LP'.

You should then be directed to the GPPSS homepage and access the internet
