## The Fifty-Float Chief

The race was on at the soda fountain in Phil's Farmacy. My nehew was trying to make fity root beer floats in less than 15 minutes. The task was toufer than he thought. He figured he had just enouf time to make the final few floats.

There was a fourest of glasses on the counter. People had to stretch their necks like girafes to see the final scoop of ice cream plop into the glass. The splash in the glass was heard just before the buzzer sounded.

My nefew was presented a terrific trophe. The next morning's newspaper had a photograf and a well-written pargraph about his feat. He was named the cheif of root beer floats!
