

GROSSE POINTE PUBLIC SCHOOL SYSTEM

Each and Every Child, Each and Every Day

Brownell 2012-13 Annual Report

Introduction

Brownell's 674 students completed a successful school year as evidenced by the many accomplishments listed below. Our "Brownell Points of Pride" were due to the diligent work of teachers, support staff, and parent volunteers.

Students in all three grade levels were honored and recognized for outstanding achievement in academics and citizenship. Students participated in many academic contests, including: Letters about Literature, America and Me Essay Contest, Social Studies Geography Bee, You Be the Chemist Competition, and Michigan Interscholastic Press Association Awards. Band, orchestra, and vocal music students earned superior ratings at local, state, and national adjudicated music competitions. A Brownell sixth grade student was the 2013 first place winner in the Michigan Letters About Literature Competition.

Our PBIS (Positive Behavioral Intervention and Support) program is titled Buck up Broncos and focuses on Respect, Responsibility, and Positive Decision Making. Use of Advisory time and All School Assemblies every week introduce and reinforce positive student decision making and keys to academic success.

Brownell has four Student Service Organizations: Student Council, NJHS (National Junior Honor Society), STAND (Students Taking a New Direction), and GEAR Up (Green Education Action Recreation). Our Student Council raised money and purchased items for our new Multi-Purpose Room, digital hallway clocks, technology for a new English computer writing lab and new student lockers. Our STAND organization sponsored various drug free activities including a Haunted House, fundraisers that supported Sweet Dreamzz, Race for the Cure, Leukemia and Lymphoma research, and Children's Hospital. An anti-smoking program was also presented to the student body. STAND and GEAR Up also initiated a "Go Green- Re-use and Recycle Program."

A wide variety of extra-curricular activities (basketball, volleyball, track, swimming, wrestling, Yearbook, Jazz Band, Bridge Club, Drama Production, Art Club, and Zumba) provide opportunities for students to explore areas of interest.

Brownell teachers tutor students in an after school Homework Help Program three days a week.

The Brownell PTO donated services and financial support for grade level curriculum enhancements, extra-curricular activities, new student lockers, and Multi-Purpose Room additions.

Seventh grade students scored in the top 1%, for the entire state, on the 2012 MEAP Writing Test.

Mission Statement

The mission of the Brownell Middle School Community is to improve education opportunities for students.

Student Average

Attendance Rate: 97%

MDE Scorecard

Brownell earned a yellow designation on the MDE Scorecard (replacing AYP) and is a Reward School

Assignment of Studies

The Board has determined attendance areas and students shall be expected to attend school within that area. A parent may request a transfer or appeal a placement decision on behalf of their student.

The principal shall be responsible for assigning students to classes. In the elementary schools, the principal, in determining the grade level for any new student, may take into consideration the previous schooling of the student but may assign the student to a lower grade level or higher grade level, if in the principal's judgment such an assignment would be in the best interest of the student. In middle school and high school students will be assigned to counselors, classes and instructors by the building principal.

The district also has in place policies and guidelines which guide promotion and retention.

Percentage of Parents Participating in Parent-Teacher Conferences:

2012-13

90% (622 Students)

2011-12

91.9% (611 Students)

FERPA Notice

Grosse Pointe Public Schools may, upon request, release the following directory information: student name, address, participation in school activities, date of school attendance, honors and awards, information generally found in yearbooks, and student name, addresses and telephone numbers when requested by military recruiters. Grosse Pointe Public Schools also publishes student information via school sponsored or school-related media, including activities of the Grosse Pointe Foundation for Public Education.

Parents or students, 18 years or older, who do not wish this information made public should complete the Public Use-Directory Information Notice Form available at:

Core Curriculum

The Grosse Pointe Public School System's core curriculum is developed under the auspices of the Educational Programs Leadership Council (EPLC), a group of teachers, parents, students, and administrators who meet monthly.

The core curriculum is based upon state standards in all subjects and extends beyond those by incorporating exemplary national standards. The reports of the curriculum committees, which are submitted first to the EPLC and then to the Board of Education, include recommendations regarding assessment, staff development, integration of technology, and differentiated instruction to accommodate academic diversity as well as the curriculum itself. The district also offers a wide array of advanced placement and challenging enrichment courses and a comprehensive special education program.

During the 2012-13 School year, EPLC led the curriculum review for the World Language Department. Teachers doing the review examined assessments, textbook usage, and alignment to the newly revamped Michigan Department of Education World Language requirements. The revised World Language curriculum was unanimously approved by the Board of Education in the spring of 2013. Staff development on specific reading comprehension strategies through a program called *Making Meaning* also continued throughout the 2012-13 school year. The implementation and training in Reader's Workshop is part of a three-year plan to develop readers and writers in our elementary students for their success in the challenging curriculum they will be facing at the middle and high school levels. This coming year, we seek volunteers to serve on the review committees for K-12 Science, Social Studies, Library/Media, and Secondary Business.

School Improvement Plan

1. Students will become more proficient in writing achievement across the curriculum.
 - Increase the total number of students achieving a proficient score on the Grosse Pointe Writing and MEAP Tests.
2. Students will become more proficient in the areas of conceptual and computational math benchmarks.
 - Increase the total number of students achieving a proficient score on the MEAP math test. Increase the number of students who are on track to be college ready on the ACT/Explore test.
3. Students will become more proficient readers and effectively read and communicate across all fiction, non-fiction, analytical genres and curriculum content areas.
 - Increase the total number of students who achieve one year's growth on the NWEA Reading Test. Increase the number of students who are on track to be college ready on the ACT/Explore test.
4. Students will empower themselves to be accountable for their personal learning and positive behavior.
 - Increase the total number of students who meet testing benchmarks, follow established student behavior guidelines, and appear on academic and citizenship honor rolls.

The Brownell School Improvement Plan includes strategies and objectives that are aligned with Common Core and expectations for learning in the 21st Century. Professional Development is an integral component of the ongoing school improvement process.
