## GROSSE POINTE PUBLIC SCHOOL SYSTEM

Each and Every Child, Each and Every Day

# Defer 2012-13 Annual Report

## Introduction

Defer Elementary is a dynamic and joy-filled school where learning is celebrated each day. We value the broad diversity in our learning community and embrace the variety of backgrounds and experiences our students bring. The dedicated and skilled Defer staff partner with students and the parent community to provide learning experiences that allow the *Defer Dragons* to grow. Our students work hard and we celebrate their successes.

Together, as a building, we participate in these learning and community building experiences:

- *Batter Up Baseball* – Defer students worked hard to earn a homerun mastering their Math Facts as part of our school-wide SMART goal!
- Monthly *PBS Reward Parties* and weekly *Dragon Dollar Winners* recognizing the good behavior our students exhibit each day.
- Fifth grade students provided service to our school community through safety patrol, service squad, Green Squad, and Art Club.
- Our students, staff, and community worked to earn 'Evergreen' status within the Michigan Green school initiative.
- Defer Student Council sponsored a variety of service and spirit projects during the year including Defer Spirit Days, Candy-grams, and Cereal Drive.
- Defer's generous PTO provided lunchtime enrichment activities, Valentine and Earth Day assemblies, and the Book Fair – all of which enriched the learning environment.
- *One Book, One School* – PTO's commitment to families allowed us to participate in a school-wide reading experience in March. Defer school read – [The Lemonade Wars](#).
- 73 Fifth grade students participated in the Outdoor Education Program at Camp Howell.
- 73 Fourth Grade Students participated in a *Writing Blitz* and enjoyed our guest author, Devon Scillion.
- 29 Magnet Students participated with a *sister class* from Trombly Elementary in *Innovator Day* – a day to deeply explore a *burning question*.
- 65 Third Grade Students participated in *Mini-Society* – a study in economics.
- 65 Second Grade Students spent a day in the *One Room Schoolhouse* learning their lessons.
- 17 Magnet Students learned self-confidence and life skills while participating in [Leader in Me](#) training.
- 48 First Graders visited a recycling center followed by a creamery. Milking a cow was a new experience.
- 45 Kindergarten Students became authors as they entered the world of *Writer's Workshop*

## **Assignment of Studies**

The Board has determined attendance areas and students shall be expected to attend school within that area. A parent may request a transfer or appeal a placement decision on behalf of their student.

The principal shall be responsible for assigning students to classes. In the elementary schools, the principal, in determining the grade level for any new student, may take into consideration the previous schooling of the student but may assign the student to a lower grade level or higher grade level, if in the principal's judgment such an assignment would be in the best interest of the student. In middle school and high school students will be assigned to counselors, classes and instructors by the building principal.

The district also has in place policies and guidelines which guide promotion and retention.

## **Percentage of Parents Participating in Parent -Teacher Conferences:**

2012-13

98.4% (363 Students)

2011-12

98.2% (384 Students)

## **FERPA Notice**

Grosse Pointe Public Schools may, upon request, release the following directory information: student name, address, participation in school activities, date of school attendance, honors and awards, information generally found in yearbooks, and student name, addresses and telephone numbers when requested by military recruiters. Grosse Pointe Public Schools also publishes student information via school sponsored or school-related media, including activities of the Grosse Pointe Foundation for Public Education.

Parents or students, 18 years or older, who do not wish this information made public should complete the Public Use-Directory Information Notice Form available at: [www.gpschools.org](http://www.gpschools.org)

## **Core Curriculum**

The Grosse Pointe Public School System's core curriculum is developed under the auspices of the Educational Programs Leadership Council (EPLC), a group of teachers, parents, students, and administrators who meet monthly.

The core curriculum is based upon state standards in all subjects and extends beyond those by incorporating exemplary national standards. The reports of the curriculum committees, which are submitted first to the EPLC and then to the Board of Education, include recommendations regarding assessment, staff development, integration of technology, and differentiated instruction to accommodate academic diversity as well as the curriculum itself. The district also offers a wide array of advanced placement and challenging enrichment courses and a comprehensive special education program.

During the 2012-13 School year, EPLC led the curriculum review for the World Language Department. Teachers doing the review examined assessments, textbook usage, and alignment to the newly revamped Michigan Department of Education World Language requirements. The revised World Language curriculum was unanimously approved by the Board of Education in the spring of 2013.

Staff development on specific reading comprehension strategies through a program called *Making Meaning* also continued throughout the 2012-13 school year. The implementation and training in Reader's Workshop is part of a three-year plan to develop readers and writers in our elementary students for their success in the challenging curriculum they will be facing at the middle and high school levels. This coming year, we seek volunteers to serve on the review committees for K-12 Science, Social Studies, Library/Media, and Secondary Business.

## **School Improvement Plan**

Defer students continue to demonstrate outstanding academic success as evidenced through national (NWEA testing), state (MEAP testing), and local (Grosse Pointe Writing) assessments in addition to their daily performance and participation in class.

As part of our School Improvement Plan, our Defer staff has worked collaboratively throughout the school year to review and analyze student achievement data related to the district curriculum in determining our areas of greatest need for continued improvement. Through the work of our Professional Learning Communities and the School Improvement Team, grade level and support staff has identified specific goals and strategies to address these areas of need.

In our continuous effort for improvement we've identified the following target goal areas:

- Improvement in reading across the curriculum
- Improvement in writing across the curriculum
- Improvement in math across the curriculum
- Participation in the Positive Behavior Support System as a means to improve the overall school climate
- Differentiated instruction to improve learning for all Defer students
- Incorporation of technology in all subjects areas and in communication with parents
