

GROSSE POINTE PUBLIC SCHOOL SYSTEM

Each and Every Child, Each and Every Day

Poupard 2013-14 Annual Report

Introduction

The Poupard Elementary School Annual Report is provided to communicate to parents and the community, helpful information about the school. Our vision is to provide a well-balanced and academically sound educational experience as well as create a friendly and welcoming environment. Poupard teachers put an emphasis on providing learning opportunities that require students to not only acquire basic skills, but also to use inquiry based learning, reasoning skills and critical thinking skills, so students are able to reflect on their learning process. Students also each keep their own data notebook to keep track of their own progress and goal setting.

Educational opportunities provided at Poupard are carried out in a structured learning environment. The goal of our school is to provide every student with the opportunity to master reading, writing, math, social studies and science and to go beyond the academic skills required by the state standards. We educate all students by empowering them with the necessary skills, knowledge and behaviors for continued intellectual, social and physical development that they need to succeed. Teachers use a variety of instructional strategies according to students' abilities, learning styles and interests. These differentiated strategies include instructional pacing, acceleration, flexible grouping, in-depth studies, cooperative learning, RTI, and project based learning activities.

School improvement efforts this year continue to focus on reading comprehension, narrative writing, math fluency, science and social studies. Grade level and vertical grade level teams work together in Professional Learning Communities during late start Mondays, to analyze trends and to plan strategies for improvement.

Poupard Elementary School also continues Positive Behavior Support. We had many activities throughout the school year to further enhance the goals of our school community by fostering Respect, Responsibility and Safety. Our activities included monthly schoolwide rewards, school store using our yellow PBS tickets, Good Citizenship Family Breakfast, Monthly Town Meetings and classroom rewards using our Blue Ribbon Tickets. Our school continues to receive accolades from visitors on our peaceful school and well behaved students.

Our Poupard PTO provides generous support for our students including assemblies, classroom materials, enrichment activities and library books. We also have fun activities such as a Tin Can Auction, Holiday Brunch and Fall Festival.

As a result of our staff and students' efforts, our school was awarded the Michigan Evergreen School Certificate of Achievement for outstanding performance and lasting contribution to conservation and preservation of the environment. This year we planted a vegetable garden and we will make vegetable stone soup for the entire school to taste and will be talking about nutrition all year.

Because we stay rooted in our commitment to your children, today's vision, mission and beliefs become tomorrow's reality.

Mission Statement

The mission of Poupard Elementary School is to educate all students by empowering them with the necessary skills, knowledge, and behaviors for continued intellectual, social, and physical development. Learning for All: Whatever it Takes.

Student Average Attendance Rate:

96.03%

MDE Scorecard

Poupard earned a Lime designation on the MDE Scorecard (replacing AYP) and is a Focus School.

Nondiscrimination Statement

The Grosse Pointe Public School System does not discriminate on the basis of race, color, national origin, sex, disability, or age in its programs and activities and provides equal access to the Boy Scouts and other designated youth groups.

The following person has been designated to handle inquiries regarding the non-discrimination policies:

Stefanie Hayes,
Director of Student Services
20090 Morningside
Grosse Pointe, Woods, MI 48236
Phone: (313) 432-3851
Stefanie.Hayes@gpschools.org

If the individual filing the grievance alleges that the Section 504/ADA coordinator has engaged in discrimination, than the individual filing the grievance must provide the documentation to the:

Deputy Superintendent for Educational Services
389 St. Clair
Grosse Pointe, MI 48230
Phone: (313) 432-3016

For further information on nondiscrimination, visit:
<http://wdcrobc01p01.ed.gov/CFAPPS/OCR/contactus.cfm>
for the address and phone number of the office that serves your area, or call 1-800-421-3481.

Assignment of Studies

The Board has determined attendance areas and students shall be expected to attend school within that area. A parent may request a transfer or appeal a placement decision on behalf of their student.

The principal shall be responsible for assigning students to classes. In the elementary schools, the principal, in determining the grade level for any new student, may take into consideration the previous schooling of the student but may assign the student to a lower grade level or higher grade level, if in the principal's judgment such an assignment would be in the best interest of the student. In middle school and high school students will be assigned to counselors, classes and instructors by the building principal.

The district also has in place policies and guidelines which guide promotion and retention.

Percentage of Parents Participating in Parent-Teacher Conferences:

2013-14
99.4% (343 Students)
2012-13
98.2% (331 Students)

FERPA Notice

The Grosse Pointe Public School System may, upon request, release the following directory information: student name, address, participation in school activities, date of school attendance, honors and awards, information generally found in yearbooks, and student name, addresses and telephone numbers when requested by military recruiters. GPPS also publishes student information via school sponsored or school-related media, including activities of the Grosse Pointe Foundation for Public Education. Parents or students, 18 years or older, who do not wish this information made public should complete the Public Use-Directory Information Notice Form available at: www.gpschools.org

Core Curriculum

The Grosse Pointe Public School System's core curriculum is developed under the auspices of the Educational Programs Leadership Council (EPLC), a group of teachers, parents, students, and administrators who meet monthly. The core curriculum is based upon state standards in all subjects and extends beyond those by incorporating exemplary local and national standards. Reports of the curriculum committees, which are submitted first to the EPLC then to the Board of Education, include recommendations regarding assessment, professional development, integration of technology, and differentiated instruction to accommodate academic diversity as well as the curriculum itself. The district also offers a wide array of advanced placement and challenging enrichment courses and a comprehensive special education program.

During the 2013-14 school year, EPLC led the curriculum review for social studies and library/media. Teachers doing the review examined assessments, textbook usage, and alignment to Michigan Department of Education requirements. Both curricula are still under development, as is the curriculum for science and secondary business.

District wide professional development is part of a comprehensive plan that uses teacher choice as well as mandatory training in areas identified by our district professional development team.

School Improvement Plan

Poupard Elementary School continues to demonstrate improved scores on national, local and state tests, as well as in daily performance and participation in class. As part of our School Improvement Plan, the Poupard staff has worked collaboratively throughout the school year to review and analyze student achievement data related to the district curriculum to determine our areas where there needs to be improvement. Through the work of our Professional Learning Communities, each grade level teacher, support staff, and parents on our team have been part of our school improvement plan in identifying specific goals and strategies to address areas of need.

Based on our current and ongoing school improvement plan our goals are:

- All students will improve their narrative, fiction, and informational writing skills. Classroom teachers will guide students to focus on one main idea with well-developed stories. We started our writing buddy groups this year and students' writing thrived.
- All students will demonstrate increased proficiency in their reading comprehension or narrative and informational texts. Their proficiency will be measured by Fountas and Pinell Reading Levels, MEAP tests, NWEA test and classroom assessments.
- Students will increase their knowledge in math content area, through improved application of math vocabulary in problem solving skills. Students will also increase fluency of basic math facts at each grade level.
