

## GROSSE POINTE PUBLIC SCHOOL SYSTEM

Each and Every Child, Each and Every Day

# Parcells 2014-15 Annual Report

## Introduction

The Parcells Middle School community continued its tradition of excellence in academics, arts, athletics, and activities in the 2014-15 school year. Parcells provides a safe and dynamic learning community in which students thrive, as evidenced by the many accomplishments of our students, teachers, and parent organization.

Parcells students continue to be honored each quarter for academic achievement and

positive citizenship. Hundreds of students representing all three grade levels were recognized at our annual honors programs, as over 70% of students made the honor roll. Dedicated professional faculty work diligently to ensure that Parcells students continue to demonstrate high levels of proficiency on standardized tests such as MEAP, ACT Explore, NWEA and the Grosse Pointe Writing exam. The Parcells staff implements an exemplary Positive Behavior Intervention and Support (PBIS) program, promoting a safe and collaborative student culture.

Students successfully participated and distinguished themselves in several academic events and contests including the National Social Studies Geography Bee, Michigan Science Olympiad, You be the Chemist, and the Scripps National Spelling Bee. Students also won several awards in broadcast journalism, science, local and national essay contests, eCybermission, and the student literary magazine *The Scribe* was recognized for excellence.

Parcells band, orchestra and choir members successfully participated in regional festivals including MSBOA & MSVMA Band, Orchestra and Choral Festivals in addition to Solo and Ensemble Festivals. Our bands, orchestras, and choirs each earned Grand Champion awards at the Cedar Point Festival in May. Our drama department successfully staged a full musical and an evening of one act plays. Student Council sponsored and ran a school-wide talent show in which numerous students were featured.

The Parcells Panther athletic teams had successful seasons in Volleyball, Basketball, Wrestling, Track and Swimming. Service organizations such as National Junior Honor Society participated in *A National Day of Reading* by reading to elementary students across the district as well as several chapter-based service projects throughout the school year. Environmental awareness efforts resulted in a seventh consecutive Michigan *Green School* award designation. The Parcells Student Council is an active group in organizing fundraisers, student activities, and monthly spirit assemblies.

Parcells boasts a large selection of extracurricular clubs designed to cultivate student talent and interest in areas including art, newspaper, yearbook, chamber music, cheerleading, robotics, chess, computers, drama, Jazz band and fiddle, life skills, running, and writing.

The Parcells PTO is an extremely active and successful group, organizing a much anticipated yearly Holiday Bazaar. PTO also organizes a student fun night, event receptions, and contributes substantial sums to fund clubs and tutoring in all subjects for the benefit of students and the entire school community.

### Mission Statement

The mission of Parcells Middle School, in partnership with parents and community, is to ensure that all students progress in acquiring and using the knowledge, skills, and behaviors necessary to responsibly meet the challenges of today and tomorrow.

### Attendance Rate

98.35%

### MDE Scorecard

Parcells earned a yellow designation on the 2014 MDE Scorecard (replacing AYP).

### Nondiscrimination Statement

The Grosse Pointe Public School System does not discriminate on the basis of race, color, national origin, sex, disability, or age in its programs and activities and provides equal access to the Boy Scouts and other designated youth groups. The following person has been designated to handle inquiries regarding the non-discrimination policies:

Stefanie Hayes,  
Director of Student Services  
20090 Morningside  
Grosse Pointe, Woods, MI 48236  
Phone: (313) 432-3851

for the address and phone number of the office that serves your area, or call 1-800-421-3481.

## Assignment of Studies

The Board has determined attendance areas and students shall be expected to attend school within that area. A parent may request a transfer or appeal a placement decision on behalf of their student.

The principal shall be responsible for assigning students to classes. In the elementary schools, the principal, in determining the grade level for any new student, may take into consideration the previous schooling of the student but may assign the student to a lower grade level or higher grade level, if in the principal's judgment such an assignment would be in the best interest of the student. In middle school and high school students will be assigned to counselors, classes and instructors by the building principal.

The district also has policies and guidelines regarding promotion and retention.

## Percentage of Parents Participating in Parent-Teacher Conferences:

2014-15-93% (749 students)  
2013-14 - 91% (761)

## FERPA Notice

The Grosse Pointe Public School System may, upon request, release the following directory information: student name, address, participation in school activities, date of school attendance, honors and awards, information generally found in yearbooks, and student name, addresses and telephone numbers when requested by military recruiters. GPPS also publishes student information via school sponsored or school-related media, including activities of the Grosse Pointe Foundation for Public Education.

Parents or students, 18 years or older, who do not wish this information made public should complete the Public Use-Directory Information Notice Form available at: [www.gpschools.org](http://www.gpschools.org)

## Core Curriculum

The Grosse Pointe Public School System's core curriculum is developed under the auspices of the Educational Programs Leadership Council (EPLC), a group of teachers, parents, students, and administrators who meet monthly. The core curriculum is based upon state standards in all subjects and extends beyond those by incorporating exemplary local and national standards. Reports of the curriculum committees, which are submitted first to the EPLC then to the Board of Education, include recommendations regarding assessment, professional development, integration of technology, and differentiated instruction to accommodate academic diversity as well as the curriculum itself. The district also offers a wide array of advanced placement and challenging enrichment courses and a comprehensive special education program.

During the 2014-2015 school year, EPLC led the curriculum review for adolescent health, business, social studies and library/media. Teachers doing the review examined assessments, textbook usage, and alignment to Michigan Department of Education requirements. 6<sup>th</sup> thru 12<sup>th</sup> grade social studies and adolescent health curricula are still under development.

During the 2015-2016 school year, the following curricular areas will begin the review process:

- K-12 Mathematics
- K-12 Science
- K-12 Art
- 6-12 Counseling
- K-12 Physical Education
- 6-12 Inter-Departmental Technology
- 6-12 TV Production

District wide professional development is part of a comprehensive plan that uses teacher choice as well as mandatory training in areas identified by our district professional development team.
