

GROSSE POINTE PUBLIC SCHOOL SYSTEM

Each and Every Child, Each and Every Day

South 2014-15 Annual Report

Introduction

For nearly nine decades, South High School has been a fixture in the Grosse Pointe Community. More than 80 classes of students have walked these halls and have left a lasting legacy that continues today. Grosse Pointe South is blessed with a fabulous teaching staff, and spectacular support from parents and students that are fully committed to excellence in all facets of their educational experience. For these and other reasons, South continues to be recognized as a national lighthouse high school.

South's wonderful combination of amazing educators and exceptional parental support has resulted in great accomplishments over the years. South is consistently ranked as one of the top high schools in the state and nation by U.S World News, The Washington Post, and Newsweek. Last year, South was recognized by the Daily Beast as the #2 traditional high school in Michigan. Our building has steadily improved in all standardized testing areas on the ACT exam, with our composite score increasing to 24.6 this last year. In fact, last spring's test score is the highest test score our building has achieved since the inception of the Michigan Merit Exam 10 years ago. South is in the top 5% in the state for all areas tested on the Michigan Merit Exam (MME) and is also rated in the 92nd percentile of all schools on the State of Michigan's annual school rankings. Additionally, we made tremendous strides in closing the racial achievement gap in reading, writing, science and social studies. Each year, approximately 98% of South students continue to institutions of higher learning with many attending some of the highest ranking universities across the nation.

While we are proud of our academic achievements and scores on standardized tests, what makes South truly special is the diversity of our accomplishments in areas that cannot be quantified by test scores. The school has a rich athletic tradition boasting scores of state championships and the participation of more than 65% of our student body in athletics annually. South was recognized by MaxPreps as the best high school athletic program in the State of Michigan for the 2011-12 school year. Our girl's athletic program was also recognized as the top program in the state by *USA Today* in 2014. We currently have 45 former South athletes competing in NCAA Division I schools, including 6 at Ivy League schools.

The fine and performing arts programs excel as well, modeling excellence in art, band, orchestra and one of the best choir programs in the nation. We have over 50 clubs and extra-curricular activities to meet the diverse needs of our student population. South has a nationally recognized student publications program, *The Tower*, that produces a newspaper each week. We also have the State's only high school solar car team. The team recently placed 6th in the country at nationals. We even have a robotics team that provides real life, hands-on STEM experience. Through these and other opportunities, the school is fully committed to providing a comprehensive high school experience.

As we embark on another school year, we do so understanding that we must continue to move the school forward. We will build upon the incredible foundation laid by previous generations and work to keep South on the cutting edge of 21st century education. Furthermore, we must help students recognize that it is not sufficient for them to aspire to be the best *IN* the world. Rather, we need them to aspire to be the best *FOR* the world. The standards remain high as we are collectively committed to keeping South one of the premier high schools in the nation. While the challenges are great, we will rely on the collective efforts of our staff, students and community to reach these objectives. We look forward to another great year, adding to the long tradition of excellence at Grosse Pointe South High School.

Mission Statement

Grosse Pointe South High School is a community of individuals who work in partnership to provide a broad based program of academics, athletics, and activities for ALL students. It is the dedication of those individuals that provides the foundation for student success and excellence in all their endeavors.

Student Average Attendance Rate: 95.21%

Parent-Teacher Conference Participation:

2014-15
97.1% (1,613 students)

2012-13
96.4% (1,639 students)

MDE Scorecard

South received a yellow designation on the MDE Scorecard (replacing AYP) in 2014.

Dual Enrollment:

11th & 12th graders enrolled concurrently in H.S. & post-secondary classes: 9 students

Completion/Graduation

Rate: High school students who graduate in 4 years
Class of 2014 95.2%

Dropout Rate:

Percentage of students who do not complete GPPS H.S. program
Class of 2014 (7 students)
1.6%

Retention Rate: District average (100% of high school enrollment minus high school dropout rate) 98.4%

Earned Credit by Test-Out of a Course:

24 students

Assignment of Studies

The Board has determined attendance areas and students shall be expected to attend school within that area. A parent may request a transfer or appeal a placement decision on behalf of their student.

The principal shall be responsible for assigning students to classes. In the elementary schools, the principal, in determining the grade level for any new student, may take into consideration the previous schooling of the student but may assign the student to a lower grade level or higher grade level, if in the principal's judgment such an assignment would be in the best interest of the student. In middle school and high school students will be assigned to counselors, classes and instructors by the building principal.

The district also has in place policies and guidelines which guide promotion and retention.

Nondiscrimination Statement

Grosse Pointe Public School System does not discriminate on the basis of race, color, national origin, sex, disability, or age in its programs and activities and provides equal access to the Boy Scouts and other designated youth groups. The following person has been designated to handle inquiries regarding the non-discrimination policies:

Stefanie Hayes,
Director of Student Services
389 St. Clair
Grosse Pointe, MI 48230
(313) 432-3851
Stefanie.Hayes@gpschools.org

For further information on notice of nondiscrimination, visit:
<http://wdcrobcolp01.ed.gov/CFAPPS/OCR/contactus.cfm> for the address and phone number of the office that serves your area, or call 1-800-421-3481.

Core Curriculum

The Grosse Pointe Public School System's core curriculum is developed under the auspices of the Educational Programs Leadership Council (EPLC), a group of teachers, parents, students, and administrators who meet monthly. The core curriculum is based upon state standards in all subjects and extends beyond those by incorporating exemplary local and national standards. Reports of the curriculum committees, which are submitted first to the EPLC then to the Board of Education, include recommendations regarding assessment, professional development, integration of technology, and differentiated instruction to accommodate academic diversity as well as the curriculum itself. The district also offers a wide array of advanced placement and challenging enrichment courses and a comprehensive special education program.

During the 2014-2015 school year, EPLC led the curriculum review for adolescent health, business, social studies and library/media. Teachers doing the review examined assessments, textbook usage, and alignment to Michigan Department of Education requirements. 6th thru 12th grade social studies and adolescent health curricula are still under development.

During the 2015-2016 school year, the following curricular areas will begin the review process:

- K-12 Mathematics
- K-12 Science
- K-12 Art
- 6-12 Counseling
- K-12 Physical Education
- 6-12 Inter-Departmental Technology
- 6-12 TV Production

District wide professional development is part of a comprehensive plan that uses teacher choice as well as mandatory training in areas identified by our district professional development team.

School Improvement Plan

Per the state of Michigan, our data from last springs M-STEP exam does not produce viable results for actions steps to be taken. (baseline data; proficiency levels, etc.) Furthermore, the state has changed from ACT to SAT, allowing us an opportunity to realign our curriculum and assessments and establish new baseline data and target goals.

Our vision is for Departments to create SMART Goals that are targeted at supporting our transition to the SAT with a focus on literacy. PLC's will develop goals that outline systemic targeted instruction, coupled with formative assessments to progress monitor student achievement. PLC's will continually reflect on data from our locally developed formative assessments and adjust instruction and planning as needed.

To further support and validate department goals, summative data from the SAT will be used to validate our actions as Departments and PLCs. The PSAT will be given on October 14th to all students in grade 9-11. Data from this test will be examined in December by PLCs where goals and action steps may be adjusted and/or preliminary growth targets will be established. All students in grade 9-11 will be tested again on April 26th on the PSAT/SAT and baseline data for the 2016-2017 will be established.

STUDENT ACHIEVEMENT MICHIGAN EDUCATION ASSESSMENT PROGRAM (MEAP) M-STEP Results will be shared when they are released (anticipated October 2015)
