Play and Say 2 Lecture Schedule 2019-2020 **(Fridays 9:00-10:15am)**

We provide a family centered approach to deliver supports and services to children with developmental delays and their families. Parents and professionals focus on a child's development with attention to increasing a family's ability to meet their child's needs. Parents and early childhood professionals work together on ideas and strategies that enhance the child's development in everyday routines.

Play and Say 2 group: Fridays 9:00-10:15 am. Children begin group in the sensory motor room (gym) 1st floor by the playground. Enter Barnes Early Childhood Center through door C and sign your child in. The sign up sheet is located on the table outside the sensory motor room. While the children are in the sensory motor room, parent (s)/caregiver(s) are invited to attend the lecture series which are conducted in room 207 (Teachers lounge) on the 2nd floor. After the lecture, parent(s)/caregivers will rejoin the children in room 201 to participate in group activities (centers, stories, music).

Illness

Please follow the 24 hour rule if anyone has had a fever, vomiting or diarrhea.

Cancellation

If you are not planning on attending a Play and Say 2 group please call (313-432-3822) or email (stopinm@gpschools.org) Chely (Michele Stopinski, SSA). Thank you! :)
