**Staff Update:**

Finally, I share this last piece of information with mixed emotions. Lindsey Diehl has accepted a position in a district closer to her home. I am very happy for her as the proximity to her new position will help simplify her life. I am very sad that she will not be returning to Ferry. She is an amazing person and professional. Lindsey has very mixed emotions as well. Please encourage her and wish her well on her new endeavor. She will be missed.
