Classroom Recess Supervision:

We have had 2 serious incidents on the playground during classroom recess that no adult witnessed. I am not saying we will see everything all the time however, I have to be able to say with confidence that every area of the playground is supervised during classroom recess time. **MAKE SURE** a staff member is physically standing at the field, playscape, gaga pit and black top. Multiple staff members should not be congregated on one area.

4th & 5th Grade Enter F&P data into Illuminate by Oct 26:

This is necessary for 31A funding. 5th grade teachers--if you have not done F&P, please enter the Spring 2018 F&P scores. You will also need to enter F&P in January for your At Risk students.

Finally F&P will be entered at the end of the year for all students K-5.
