**Signs and Balloons:**

It was our Ferry PTO that put up the signs and balloons for our first day back to school. Please reach out with a Thank you. This was Mrs. Hudson (Hunter's mom) initiative as part of the beautification committee.

**PTO Library Initiative:**

Please take a few minutes to review the slideshow Karen Meade put together to inform and promote the targeted fundraising they are doing this year to update our library to a 21st century learning environment. [PTO Targeted Fundraising](#)

**Small Room Under the Stairs:**

Lunch Supervisor timesheets and supplies have been relocated to the small copy room under the stairs. The file cabinet in that room is their dedicated space.

**Goal Setting Meetings:**

Please contact Jenny by the end of next week to set up a goal setting meeting. I would like to have meetings completed by October 6th.

**Monday September 17 PLC:**

Please meet in the art room. We will be going over our Evacuation Drill Procedures in preparation for our September 24th drill. Jenny will have your emergency bags and class contact lists ready for you at that time.
