Back to School Night:

It is important that each teacher show the District Bond Video during parent sessions. Dr. Niehaus has asked that every parent see the video. The only way I can ensure this is by having you show the video at the beginning of your presentation. I will also have the video on a loop in the gym. Here is the link to the video: [Bond Video](#)

The schedule is as follows:

6:30- 7:00 K-2 classroom presentations, Walsh & Sattelmeier/3-5 parents in the gym with 3-5 teachers

7:05-7:35 3-5 Classroom presentations, Walsh & Sattelmeier/K-2 parents in the gym with K-2 teachers

7:35-8:00 K-2 and 3-5 classroom presentations/Walsh and Sattelmeier in the gym

Specials teachers, Student Lighthouse Sponsor(Carrie), Me (PA 25), PTO, and support staff will be in the gym all evening.

Please be sure to communicate this to your parents. I will also send out a communication.

RTI Schedule:

[RTI Classroom Schedule](#)

Please fill in the time, days and anticipated start date for your classroom WIN time. If you have already arranged helpers please include that in the last column. For everyone else I will fill in as best I can with lunch supervisors.

PLC Schedule:

I have not published a PLC schedule yet. I would like to discuss the schedule with the Lighthouse team and get input on how best to build the schedule. If you have ideas/thoughts please share them with me or members of the Lighthouse team.

Goal Setting Meetings:

Please schedule your meeting with me as soon as possible.

Please let me know if you need anything.

Enjoy your weekend!
