

GPPSS Blue Ribbon Committee
Thursday, November 2, 6-9 p.m.
North Library Media Center, 707 Vernier
(park behind building off Morningside and enter doors by glass stairwell)

Reminder of 3 Overarching Questions:

1. If the Plante Moran CRESA facilities report is credible and verifiable information that can be used to develop a sustainable facilities plan
2. What the GPPSS footprint needs are now, 5 years from now, and 10 years from now, for our educational programming
3. What funding is needed to sustain the educational program our community expects for its students and from its neighborhood schools

GP Values as shown in Google Survey

- Walkable/bikeable neighborhood schools (least attached to admin building-81% said close admin building, compared to 1/3 yes to closing elementary or middle, 14% to closing high school)
- Maintaining current class sizes
- There are critical needs (97% said yes to critical needs in infrastructure (roof, boiler, parking lots), 89% yes to technology infrastructure NOT 1:1, 70% said yes to security)
- 95% support increasing taxes for identified critical needs
