

Grosse Pointe North Athletic Department Home of the Norsemen!

Guidelines for NCAA Signing Days 2021-2022

NCAA Signing Day is the period of time **in which athletes who have verbal offers from college coaches will** make their athletic scholarships official by signing their National Letter of Intent. To celebrate our student-athletes who will be continuing their athletic careers in college, Grosse Pointe North has created guidelines for signing day. We have attempted to align our dates with the official NCAA signing periods, which coordinate with the National Letter of Intent (NLI) program.

College Signing Day Protocol

Signing days will be hosted by the Athletic Department three times this school year to celebrate athletes that have agreed to continue their careers in college in a particular sport.

2021-2022 Dates

The dates this year will be

Tuesday, December 7, 2021

Wednesday, February 2, 2022

Wednesday, April 20, 2022

The events will begin at 3:15 pm in the library with 15 minute scheduled times assigned through the athletic office. If the number of athletes warrants, we may move the event to an alternate location and notify the family and athletes at that time.

General Guidelines

1. Coaches, parents, or student athletes are to inform the Athletic Office of student athletes that wish to be recognized.
 - a) Please communicate the name, sport, and college to Teresa Bennett at bennett@gpschools.org.
At that time you will receive your time.
2. The Athletic Office will notify local media of the date and time of the ceremony. We will share signing day photographs and information with the local media if they are unable to attend. Building Administrators will also be invited.
3. The Athletic Office will prepare the location of the events.

Responsibility of the Coach

1. Assist the athletic office by informing us of any athletes you are aware will be committing with a minimum of seven days in advance of the signing day.
2. Introduce the athlete and parents and briefly discuss the accomplishments of the athlete.
