

Course Expectations Planning Guide

Math

346 Honors Pre-Calculus

Please Note: All listed information is intended to provide a general guideline for students in planning their course load. All information provided will vary according to the individual study needs and academic motivation. Events and responsibilities may vary year-to-year.

Weekly Time Commitment

Calculated by surveying students to identify an approximate amount of time spent outside of the school day in order to be successful in this course

3-4 hours per week

Standard Responsibilities

Successful students may have the following responsibilities in order to be successful in this course:

Regularly scheduled quizzes and tests, and occasional graded worksheets. Daily notes and homework, with a slightly increased amount of time spent on reviews for chapter assessments (reviews will be more of an investment of time beyond a "routine" evening of HW).

Significant Events

Students may expect some significant events that may be a part of this class.

No significant events
