

Advance Notice of Pesticide Treatment

This notice is to be provided whenever a pesticide, other than a bait or gel formulation, is to be applied at this facility.
The information will be posted using the methods identified in the Annual Notification.

Attention: This facility utilizes an Integrated Pest Management Program for pest control, employing non-chemical methods that include sanitation and exclusion to control pests. However, from time to time a pesticide application may be necessary to control certain pests.

Please be advised that a pesticide is expected to be applied to control Weeds.

The approximate location of this pest control treatment is Monteith Baseball Fields

The anticipated date of treatment will be Saturday 5/16/25.

If you have questions pertaining to this treatment, please contact:

Name: Randal Baker

Phone: 313-432-3089
