Dear GPPSS Students and Families,

Last night Governor Whitmer closed all Michigan schools for the next three weeks. The GPPSS Emergency Operations Team is Meeting later this morning to review this situation. We will have further information to share with you after that meeting.

All GPPSS school buildings will be open today from 9:00 a.m.-3:00 p.m. to allow students to collect belongings they may need at home in the coming weeks. Our GPPSS teachers and staff are working today to develop remote learning opportunities for our students. If your family does not have a device your child(ren) can use at home to access these opportunities your student can pick up a device from their school today from 12:00-3:00 p.m. Further device pick up opportunities will be available early next week.

I'll provide you additional information later today.

Sincerely

Gary C. Niehaus
