

THE GROSSE POINTE PUBLIC SCHOOL SYSTEM
Grosse Pointe, Michigan

AGENDA NUMBER & TITLE: VI. F.

**Approval of Parcels Rigging &
Drapery Improvement**

BACKGROUND INFORMATION:

On February 11, 2021 we held a public bid opening for proposals received on the Parcels MS rigging & drapery improvement project. The next week consisted of post bid interviews to ensure the appropriate scope of work was included in the bids and there were no errors or omissions.

This project includes the demolition of the existing theatrical rigging and drapery systems including the entire counter weight system. Installation of four drill operated winch line sets for the four existing electrical battens. Hang new dead-hung tracks and pipe battens, hang new theatrical drapery and install a new electrically operated projection screen.

Two contractors submitted proposals for our review. Following pre-award interviews and reference checks, our recommendation is to award the project to North Coast Studios at a cost of \$99,700 plus contingency of \$10,000 for a not to exceed cost of \$109,700.

REQUEST:

The Board of Education approve the contract award of the Parcels rigging & drapery improvement project to North Coast Studios in the amount of \$99,700 plus contingency of \$10,000 for a not to exceed cost of \$109,700. The cost of this project will be paid from the sinking fund.

Amanda Matheson
Deputy Superintendent for Business Operations
