**Approval of Concrete Paving
Replacement Contract**

BACKGROUND INFORMATION:

On June 3, 2021 we held a public bid opening for proposals received for District-wide concrete paving replacement. Post bid interviews were conducted to ensure the appropriate scope of work was included in the bids and there were no errors or omissions.

The scope of work includes:

- Mobilization (removal, excavating, staging, barriers, debris removal, etc)
- Concrete sidewalks and replacement
- Concrete curbs and replacement
- Concrete drive approach
- Sand base
- Aggregate base
- Steel pip bollards (concrete and sleeve)

Two contractors submitted unit cost proposals as requested for indefinite scope and quantity. The bid tabulation as well as a weighted bid analysis are enclosed for your review.

REQUEST:

The Board of Education approve a three-year unit price contract with Luigi Ferdinadi & Son Cement with the option of two, one-year extensions to provide District concrete paving replacement. The contract would commence on July 1, 2021 with a base term end date of June 30, 2024.
