January 2022

Dear Parents:

All current 5th graders will be completing registration for their 6th grade school in early 2022. Please review and complete the 6th grade Course Selection sheet attached below. All sixth grade students will be automatically scheduled to take math, science, English and social studies as mandatory courses based on current classes. All honors placements will be reviewed in June 2022 for final placement. [Parcels Honors Criteria link](#) .

All 6th graders receive the rotational elective hour which includes Communications, Lifeskills, art, and Innovation & Design.

Your child will only need to select two elective classes. **Elective classes are every other day and when combined equal a full year class.** Click on the [Middle School Program of Studies](#) and review course descriptions.

As you review the elective class registration form with your child, please guide them as they make their choices and sign the form. *We will make every effort to honor your choices; however, please be aware that students may receive some, but not necessarily all, of their elective course choices.*

Your child must return the registration form to their Science teacher or Homeroom no later than Friday March 4th, 2022.

Sincerely,

GIna Hawkins (A-K)
