

CAREERS AND TECHNICAL EDUCATION PROGRAMS

Career Technical Education (CTE) in Grosse Pointe Public Schools provides students of all ages with the **academic** and **technical** skills, knowledge and training necessary to succeed in future careers and to become lifelong learners. CTE programs offer students a sequence of courses that provide rigorous content aligned with challenging academic standards as well as relevant technical knowledge and skills needed to prepare students for both further education and careers in current or emerging professions. These programs often include an industry-recognized credential, a certificate, or articulated college credit.
