2024 OPERATING MILLAGE RENEWAL BALLOT LANGUAGE BREAKDOWN

This proposal would reauthorize the Grosse Pointe Public School System to levy up to the statutory limit of 18 mills for general school district operating purposes on taxable property in the School District to the extent that such property is not exempt from such levy, protect the School District against the impact of Headlee rollbacks of up to 2 mills, and restrict the levy on principal residences (owner-occupied homes) to no more than 7.5337 mills.

This authorization would allow the School District to continue to levy the statutory limit of 18 mills on non-homestead (principally industrial and commercial real estate property and residential rental property) which expires with the School District's 2024 tax levy. Under existing law, the School District would levy on principal residence property only that portion of the mills necessary to allow the School District to receive the full revenue per pupil foundation allowance permitted by the State.

Shall the limitation on the amount of taxes which may be imposed on taxable property in the Grosse Pointe Public School System, County of Wayne, Michigan, be increased by 20 mills (\$20.00 per \$1,000 of taxable value) to the extent such property is not statutorily exempt, for five (5) years, the years 2025 to 2029, inclusive, to provide funds for operating expenses of the school district? Of the 20 mills, no more than 7.5337 (\$7.5337 per \$1,000 of taxable value) would be levied on principal residences. This millage would raise approximately \$22,396,039 in the first year of levy.
