| Comments: | 79 season best times! Wow... This was really an excellent meet for our team. Not only did we perform extremely well in both races, our team support was superb (and will keep getting even better!). Thank you captains for getting us ready in both races and to all for doing everything so well as a team! We are ahead of schedule with all of our goals for this season. Congratulations! Keep working hard... (Hannah Meier – new meet record!!!) | | |
