Comments:	This was a tough race. It was more about surviving than racing. In spite of the warm weather, we did well as a team and the coaches congratulate those who made it through. You will be better later in the season because of this run. Our top runners, by the way, dominated the race taking 4 of the top 5 places and 5 of the top 10 places. Congrats to Hannah, Christina, and Haley who finished 1-2-3. We are very encouraged by our mental toughness and what it will mean down the road. <i>42 improvements from last week!</i>
