Comments:	Varsity – congratulations on a solid 2 nd place finish. You worked very hard and together in this race. JV – we took 8 of the top 10 and 19 of the top 25 spots! We also took 13 of the top 15 medal positions in the JV race. To all: this was a tough course (up to about 2 minutes slower than an average course). This course will make you stronger and faster in the weeks to come. We got thru the weather and had a good day!
