Comments:	14 season best times. Thank you girls for a truly great season ending meet. I know we all hoped for our best performance of the season but the wind hurt those chances. I know the effort was there and I appreciate your total, honest effort. We shared a lot in one single day - smiles, tears, courage, and most of all, the honor of wearing the South uniform. You have earned my pride and my respect. Seniors - I love you girls and thank you for everything you've given to our team over the past four years.our team is unbelievable.....
